-- IS YOUR TEAM READY --

Football will be flying in all directions as early as 9.00 A.M. on THANKSGIVING morning, when the first three games of nine scheduled will start the biggest FOOTBALL PROGRAM that the NEIGHBORHOOD BOYS CLUB has ever held. Over 300 of our members will be participating in these great football games. The feature game of the morning will no doubt be between the Spartans and the Blackhawks, who are staging one of the hottest battles for the 1934 championship. The Spartans won the title in 1932 & 33 and are at present in first place, while the Blackhawks are always close and just miss out, but the title is at stake on Thursday and you can bet your life that the Blackhawks will be fighting every minute of the game and try their utmost to be 1934 Champions. All other games of the morning will be worth while watching as each team will be playing their closest rival. Bring your parents out to these games and show them the way you and your friends have enjoyed themselves every day after school in official games. One more thing: Please tell all of your friends, who are coming out to the game, that the playing field is for your game and it will help a great deal if they watch the game from the sidelines instead of crowding on the field.

-- FREE MOVING PICTURES --

On Friday, the day after Thanksgiving, a free moving picture will be shown in the Paul Tevere Field House for all members of the N. B. C. The Baby League show will start at three o'clock. At 7.30 P.M. the show will be given for all the Juniors and Preps. If you wish to have a free show every other Friday, show it by good attendance.

-- WILDCATS TIE SPARTANS --

On the muddiest gridiron of the year, and the largest crowd on hand, the Wildcats tied the League leaders 6 to 6, as both plunges for the extra point were stopped. This game was predicted to be a tough one and what a close battle it turned out to be. Posselt scored for the Cats on a line plunge after they had made a 20 yard march from the 25 yard line. Both teams were very determined and tackled hard & sure, throwing many runners for losses. It was not until the last quarter that Red Rothermel finally scored on an end run. Kraus and Grutzius also played a nice game for their teams.

-- COMETS SHOW GOOD SPORTSMANSHIP --

On a rainy day last week all of the Comets showed up to play the Tigers, who could only get part of their team out. The Comets were real sports and played only nine men against them and unfortunately lost. There were no substitutions and that is true evidence of real

-- TIGERS CLICKING AGAIN --

The Tigers came back to life again last week winning two games and are now only $\frac{1}{2}$ point from 3rd place again. In the game against the Panthers their plays were working fine and the pass receiving of R. Martin was excellent. Twice he received passes and took them over the goal line.

-- MIDGETS REMAIN UNDEFEATED --

The Midgets kept their record clean last week when they made a great rally to defeat the 2nd place Rams by a score of 6 to 5. Going into the 6th inning they were trailing 5 to 0. They scored 3 runs in the 6th, tied it up in the 7th with 2 more and won out in the 8th on a double by Krienitz and a single by Riha.

-- ALL JUNIORS --

The basketball officiating class starts at 1.00 on Saturday afternoons, so let's be on time.

-- PREPS & JUNIORS ATTENTION --

Due to three games going on at the same time every hour, we will be short of a few helmets. We know that many of the boys in the League have their own and feel it would help a great deal to at least have all teams in uniform helmets. Just put your name on the helmet and turn it in at the office. You may call for them after the games or on Friday morning.

-- BUCCANEERS START WINNING AGAIN --

The Buccaneers have started to click once more and splashed out an 18 to 12 victory in the mud. Chuck Harris returned to the Falcon lineup to give them new life, but was only able to put over two touchdowns which did not overcome the winner's lead. P. Wisch and V. Lisswere best for the Bucs. Harris was outstanding for the losers with swell open field running and fine punting.
