## -- TEAMS AWAIT GRIDIRON CLASHES ON THANKSGIVING DAY --

On THANKSGIVING MORNING, Thursday November 26th, the NEIGHBORHOOD BOYS CLUB will conduct their annual football program in which 400 boys will participate. Every team in the Club will be playing one of their toughest rivals and as a result the boys have been looking forward to this day since the beginning of the season. Three gridirons will be used and each hour will see six different teams taking over the field, with the first games scheduled at 9.00 A.M.

The Prop Schedule for the morning is as follows:

9.00 A.M. East Field: ROBINS VS HORNETS - Both teams got off to a slow start this season but in recent games have been playing good ball. The Robins will rely on the fine running of Bob & Wally Brossoit, while the Hornets will depend on Ed & Ken Vollmar to do most of their ball carrying. When at full strength, the teams are evenly matched and are sure to put up a real fight for a victory.

WEST FIELD: MOHAWKS VS ROYALS - The Royals have a strong line and usually play a straight line smashing game, while the Mohawks are not near as powerful, but usually put up a good game due to fine playing spirit.

10.00 A.M. East Field: OWLS VS BEARS - The Owls 1935 Champs have been a very inconsistent team this season. They are up one game and down in the next, however they are still in the Title chase and a victory on that day might supply them with the pep they lack. The team will rely on a varied running attack and a fine passing game with Wikol & Kramer doing most of the receiving from Baumhart. Schroeder is their star defensive man. The Bears would not enjoy anything more than to lick the Owls and you can be sure that Mass, Pierson, Hull and Liebert will be at their best for this hard game. The Bears play a strict passing game and in their recent tilt with the Owls tried only one running play throughout the entire game.

WEST FIELD: ROCKETS VS DRAGONS - The Rockets, champions of 1935 will make a desperate effort to defeat the Dragons and remain in the race for the 1936 Championship. At present the Dragons are leading the race in the "A" Division due to their fine backs and sturdy line, and most of all on account of their fine attendance at all games. The Rockets will pin their hopes on the great plunging Soby and their fine pass receiver Klodzik.

11.00 A.M. East Field: GALES VS WOLVERINES - This is the feature battle of the morning and will decide first place in the "B" Division. The Wolverines have been in first place all season due to the great open field running of Russel Gordon and the fine pass receiving of Ed Brador, who by the way is also their best defensive player. The Gales will match the Wolverines with three fine running backs in Hyordall, Rothornal and Franklin. The kicking of Zukowski is very good and was a great factor in their recent victory over the Wolverines. The game is a toss-up and if played on a dry field, it will be a pleasure to watch these fine shifty-running backs.

WEST FIELD: PANTHERS VS BUCCANERS - John Bronold & Bronner of the Panthers will no doubt supply plenty of thrills in this game with their frequent long runs, which have kept their team in the race. They have a heavy line and a good kicker in Gohl. The Buccs rely mostly on power plays with Liss doing most of the plunging behind a good charging line. They have a good kicker in Paul Wisch and above all they possess a lot of pep.

12.00 Noon-TIGERS VS EAGLES - The Tigers are coasting along to a sure Championship in the "C" Division, due to their fine quarter-back Jack Vogel, who usually seems to call the right play. They have a very deceptive backfield with Jaeger and Lange doing most of the ball carrying, while on pass work Vogel usually throws long ones to Martin. The Eagles have played good ball most of the season but were usually handicapped by shortage of players. For this game they surely will be at full strength and a victory would not be surprising. They have the best pass receiver in the "C" Division in Hank Jarosch and their chief ground gainers through the line are Groth and Duellman. Hohmier does the kicking and passing and also directs the team.

ATTENTION OF ALL PLAYERS: Each game must start on the hour, so if your team is late the time of quarters will be cut. Try to have your team ready at least 15 minutes before game time. Have your line-up on the score sheet and be ready to take the field immediately following the preceding game.

## CHESS MEET

The first chess tournament of this season will be held on Friday afternoon at 2 o'clock November 27th. All boys participating will receive two individual points.

-- CHRISTMAS PLAY REMEMBERS --

There are only a few more weeks left to practice for our big Christmas program. Be sure to attend all rehearsals as they are very important.

started the Warriors by a score of 0-0. On the 4th play of the game Oskinski of the Terriors broke away for 50 yards and that would have been a touchdown if an unnecessary clipping had not taken place during the course of the run. It no doubt cost the Terriors the game. Shortly after Pat Franklin went over from the two yard line after he and Rothermel had carried the ball down the field behind nice interference furnished by Stitt. Franklin also accounted for the extra point when he ran wide around his own right end. The victory kept the Galos in the fight for the title.

-- WOLVERINES HIT BEARS --

The Wolverinos just managed to beat the Bears in a nice game by a score of 13 to 12. The Wolverinos scored twice in the first period on touchdowns by Zographos and Lanrath. Bob Montz's extra point was the winning margin. The Bears put up a great fight scoring in the 2nd quarter with Pierson going over and then in the 3rd period went over after catching a long pass. The Bears missed both extra points.

-- BUCCANEERS BEAT DRAGONS --

After battling to a scoreless tie during the first half, Pawlak ran the kick-off back 90 yards for the Buocs first touchdown. The Buccaneers scored again in the first quarter when Oskinski threw a long pass to Oskinski who ran about 20 yards to score. The extra point was made and the final score was 13 to 0.

-- ROBINS UPSET OWLS --

The Robins dinned the Owls Championship hopes by defeating them in a swell game by a score of 6 to 0. The Robins scored in the third period when W. Brosselt raced around end and carried on 70 yards to a touchdown. The game was a very clean cut affair and both teams deserve a great deal of credit for their sportsmanship.

-- TIGERS DEFEAT EAGLES --

The Tigers continued to play great football and defeated the Eagles by a score of 19 to 0. The game was featured by the sensational open field running of Jaeger and Lange. The clicking of their plays showed hard practice and they deserved to win.

-- BEARS RUN OVER ROBINS --

The Bears had a great time defeating the Robins by a score of 20 to 0. Pearson made the first touchdown on a nice run while Thurnann made two touchdowns on forward passes. Pearson drop-kicked two extra points. Other outstanding players were Geyer, Koronstein and Rosauer.

-- MOVING PICTURES ON FRIDAY --

A moving picture will be shown on Friday afternoon at 4 o'clock. As many boys as possible should attend the afternoon performance.
