BOYS ON EDGE FOR THANKSGIVING GRIDIRON BATTLES PAREITS INVITED TO ATTEND

On THANKSGIVING morning, Thursday, November 24th, the NEIGHBORHOOD BOYS CLUB will conduct their eighth annual gigantic FOOTBALL DAY PROGRAM. Over 500 boys representing 34 teams have anxiously been awaiting & pointing for the hardest football battles of the year, as they know from N. B. C. tradition, it's a day on which all teams are mighty good and rise to heights whether in first or last place. Parents and also friends who attend these games further inspire the boys to play the best they know how as they are naturally aware of the fact that this is perhaps the only day on which spectators can attend and see them participate in the activity which has kept them busy since the beginning of fall. Let's go over the schedule for the morning and got a little summary on the games to be played.

SCHEDULE FOR GRIDIRON NO. 1

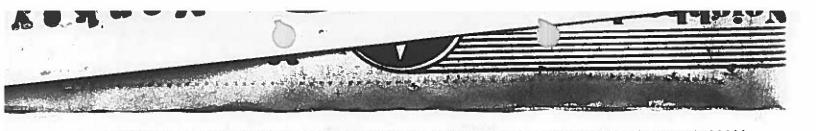

8.45 A.M. - ROCKETS VS COBRAS - In this first thriller of the morning, the Rockets will be gunning for their Fourth Football Championship in the last 5 years with practically the same stars that gave them their first title in 1934. The Rockets beat the Cobras in their first game this season but the Cobras got sweet revenge in the second. Which team will gain supremacy on Thursday? The Rockets will again depend on their hard smashing triple-threat fullback Soby and the fine pass receiving of Travers & Kledzik. The Cobras as usual will play a wide open game filling the air with footballs thrown from Lingg to Tom Dieschbourg and Rube Kiechler.

9.30 A.M. - TERRIERS VS OVLS - "REVENGE" will be the cry of the Ovls in this game, while the Terriers will be out to make it three in a row. The Terriers have the best air attack in the Loague when "bullet" Connell & Bob Schnakenberg start tossing short & long ones to the outstrotched hands of Kosick & Zographos. the Owls will snap back with quite a passing attack of their own, when Kramor & Baumhart start throwing passes to their fighting end Muth. The Owls also have been practicing a new deceptive shift, which they claim will trouble their opponents. A Torrier victory will definitely eliminate all hopes of the Owls.

10.15 A.M. - TIGERS VS GALES - This game will be tops. Both teams have been going great and the outcome will have a definite bearing on the final Varsity Standing. The Tigers have a great backfield combination with clusive runners such as Jarosch, Brader and Prousser and with a hard charging line such as their's is, the Galos will have a real battle on their hands. To match this skill, the Gales possess the bost kicker in the league in Chuck Harris and two fine broken field runners in Ed Zukowski & Ackermann. If Chuck can keep that ball in enemy territory during most of the game, the Gales will make it tough. For a real thriller, watch this game! 11.00 A.M. - ROBINS VS ROYALS - In this game, the league leading Royals will attempt to continuo their march to the 1938 Championship at the expense of the Robins. The Royals have two swell running backs in Red Mineque & Harrsch and a line that resombles five solid rocks. Can the Moyles brothers & Ken Truels penetrate a line which has stopped all opponents thus far? It hardly seems possible but with the return of Chuck Livingston to the line, they have added power & spirit, all of which they will need on Thursday. The Royals have an edge but the underdogs usually fight hard. 11.45 A.M. - MOHAWKS VS DODGERS - This will be a neighborhood battle of their own. The Dodgers are the dark herse team in the club and since losing their last game to the Mohawks, they have knocked the Torriers out of second place and caused the Owls a great deal of worry by recently holding a lead over them until the final minutes. Wells & Weismueller are the mainstays in their line, while O'Neil is one of the fleetest & best broken field runners in the league. Jack Howard, the high spirited back and best ground gainer in the division, will load the Mohawks in quest of their third straight over the Dodgers. The Mohawks also possess two fine ends in Kupisch and Noumayor. Can the Dodgers upset their neighborhood rivals?

12.30 P.M. - PANTHERS VS BEARS - It's the last game of the merning but not the least important. The Panthers have not had a successful season but a victory on that day will leave a good memory. The Panthers at full strength have a good line and a real offensive threat in George Malo. Will the Bears make a successful comoback?

SCHEDULE FOR GRIDIRON NO. 2

8.45 A.M. - MIDGETS VS BRUINS - This game will tost the rejuvenated Bruins' lineup. The Bruins think that they are all set now & should prove capable opponents for the luckless Midgets. The Midgets will depend on line-smasher Ed Williams and the putting & passing of Workenthien. Balazic is a good receiver and will prove very troublesome to the Bruins.

19.30 A.M. - WARRIORS VS ACES - These are the two weakest teams in the league, but Thanksgiving is another day and they'll be out there giving their very best.

Jawerski is the only star of the Aces weak attack, while Dan Rove is a tricky runner and should go for some long gains behind the good blocking of Jeske.

and should go for some long gains behind the good blocking of Jeske.

10.15 A.M. - RANCERS VS LIONS - In this game, the Lions will try to give the Rengers their first defeat of the season. Slinging Sammy Cielak, who rose to his peak lest Thanksgiving will attempt to repeat his performence this year, however the strong Ranger line led by Harry Bornstein is aware of Sam's passing ability and will be rushing him plenty. Bornstein also does the Kicking & passing for the Rangers in fine style, while their chief threats in the backfield are Reg Witt and Art Mueller, peny backs. The Lions running attack will be led by Lightning Buddy Rimmer.

11.00 A.M. - INDIANS VS MARINES - This will be the feature game of the Fresh Division. If the Indians win, they will accomplish what has been done only twice since the Marines entered the league in 1936. Should the Marines win, they will cinch the championship for the third straight time. The Incians will be making a lest ditch stand as defeat will put them out of the running. They will pin their lest hopes on swivel-hipped Dick Rethermel, best open field runner of the division and two other fine all-around stars, Nouckranz & Zukowski. The Marines will depend on the same stalwarts that have carried them to two consecutive football titles, their backfield which clicks with machine-like precision & a strong line headed by Joffers, Oliva and Cassatte.

11.45 A.M. - Knights vs Hawks - This will be a very close game as both toams are known for their power plays. To stay in the running, the Hawks need a victory. Marty Sullivan & Marmitt will attempt to crash through the Knights with a lot of help expected from Clark & Munch who take care of the passing. Bronke Curtiss is the best plunger in the league & along with him the Knights have Baldwin & Knight to lead their charging line.

12.30 A.M. - CUBS VS CLANTS - These two teams are battling for 3rd place. The Giant have a sturdy line led by Weith & a smooth backfield with Tony Krier & Lange doing the ball carrying. The Cubs will pin their hopes on Joe Geyer's passing and Percy Mueller's running. Both teams are capable of turning loose a runner for long gains.

SCHEDULE FOR GRANTRON NO. 3

9.00 A.M. - RIVENS VS BEARS - This is the first game in the Propper Division. Although they are both low in the standings, they always manage to put up a hard fight The Ravens have a fine attack led by the running of Enkowski, Fox & Sande, while the Bears depend on their passing with Schroeder & Connell in the starring roles.

9.45 A.M. - PIONFERS VS NAVY - The Navy still has a chance to win the title, the Pioneers will be out to knock them out. The Pioneers depend on the passing of Percy, who throws to such fine receivers as Worrer & Jagnow. The Navy has a fine running attack headed by G. Derron & Santone, while Grady & W. Marquette are the mainstays in the line.

10.30 A.M. - BUCCS VS EAGLES - This is the feature game of the morning as both teams will be battling for possession of first place in the Prepper Division. Both teams have fine lines and it will probably be no more than 6 points that will separate the teams at the end of the game. Leading the Engles' line are Schwan & Stauch, while their star runner is Mackey. The Buccs have the best line in the League with Coslette & Zornia, while Fitzpatrick does the ball carrying.

Coslette & Zornig, while Fitzpatrick does the ball carrying.

11.15 A.M. - BEES VS SOX - This game features the two main contenders for the Baby League Title. The Sox are out to get revenge for two previous beatings and are certain to cause the Boes a lot of trouble. The undefeated Boes are led by the best runner in this league, Eddie Gogonas and they also have a fine line. The Sox will downed on the line play of the Quinn brothers and their captain & fine runner, Kette 12.00 Noon - REDS VS CARDS - The last game in the Baby Division will bring together the two most evenly matched teams in the entire N. B. C. They have played each other twice with the result of 0 - 0 ties. The Cards leading players are Miller, their star end and the all-around play of the Klauck brothers. The Reds' speedy backfield is led by Lovis & Phillips, who are also deadly tacklers.

ATTENTION ALL BOYS: Be sure to bring your parents & friends out to see these last fine games of the 1938 season. Be on time for your game with plenty of reserves. Game time has been cut to permit all teams to play, however actual playing time will not be cut. Time-outs will not be permitted, only 1 minute between quarters and 3 minutes between halves.
