THANKSGIVING BATTLES CLIMAX SUCCESSFUL GRID SEASON BOYS ARE ON EDGE AS ZERO HOUR APPROACHES

On Thursday, Thanksgiving Day, one of the best Football Programs in the history of the N. B. C. has been arranged. Each team will play their toughest rival and since the start of the season most of the teams have been pointing to be at their best for whatever team they will oppose. Starting as early as 8.00 A.M. games will be in progress and on every succeeding nour six different teams will take over the gridirons. We might say that all the boys in the entire N.B.C. are on edge awaiting the zero hour for the football battle of their lives. All the boys and the organization itself would like nothing better than to see a number of interested parents and friends attend those games. A public address system will be on the field for important announcements and scores and oven moving pictures will be taken of various plays. Nothing has been left undone for this gala event and now it's just up to the boys to play a good clean hard football game. Let's take a look at the schedule of the morning and see what is in store in the way of thrilling games.

GRIDIROF NO. 1 - EAST FIELD

8.00 A.M. - DODGERS VS CVLS

This game will be a battle for 3rd place. The Dodgers have a powerful line but will depend mainly on the great passing of "Sling" Red Olson who tosses many a victory to the waiting onds, Captain Cinquegrani & Bill Weismueller. The team is confident and they have already stated that the hopeless Owls might just as well stay home. On the other hand the Owls are smiting from several recent sotbacks which have ruined their title hopes. They will pin their hopes on Captain Baumhart's passing and the fine deceptive play of "Stoogo" Elenz, which he himself claims will bewilder the Dodgers defense. Tinnes will be relied on for power drives and Scarceder as usual will be a headache for opponent ball carriers. Each team really wants this game and it will be worth your while to miss a little sleep and watch those boys play.

9.00 A.M. - RANGERS VS CUBS

This game will have no definite bearing on the league standing but nothing is sweetor than a Thanksgiving victory. The Rangers have a very small speedy backfield which can really go places. George Gogonas, Art Mueller and Rog Vitt arc all capable of making long touchdown runs and the passing & kicking of "Mairball" 'krry Bornstein is not surpassed in the league. The Cubs have not an impressive record this year but a victory over the Rangers would make the season a success. Joe Geyer is the spark plug of the team and will make it tough with his passes and long kicks. The Rangers are favored to win but a fighting underdog can really make it a battle not to be forgetten.

10.00 A.M. - ROBINS V3 TERRIERS
This is the outstanding game of the Versity Division. The Robins after getting off to a poor start are going great guns now and will be hard to beat. They will rely on their shifty fleet-footed little halfback, "Ponnuts" Moyles to outwit the fine defensive line of the Terriors and no doubt will throw many passes to the waiting names of Brossoit. The Terriers will rely on the fine deceptive work of Jelmakenberg plus the great running ability of Captain Hanrath, who will be hard to stop as he will be well fortified by some of the league's finest blockers. The great kicking of Bill Terr will be a big help towards giving the Torriers their first N.B.C. Foottell Championship in five years. The Terriers are favored but the Robins know they have a chance, so watch them fight. WATCH THIS GAME!

11.00 A.M. - KIIGHTS VS HAWKS

In this game a victory for either team will no doubt give them the Championship of the division. The Hanks have a strong line and can beast of the most deceptive back field in the league. They have 999 different play which are well executed by their backs, namely, Marmitt, Sullivan & Zirmerman and they also have a fine pass receiver in Frank Munch. The Knights have the spectacular Frank Curtis who is a great open field runner besides a heavy line crusher and they also will expect many completed passes from the accurate throwing of Howard Anight. The Hawks will be out with everything they have to avenge their recent only defeat of the season at the hands of the Knights. The Knights are already feeling sorry for the poor Hawks but let's weit and see. This game should draw one of the biggest crowds of the morning.

Pago 2

MOHAWKS VS FLAMES - 12-00

Neither of these two teams are going places in the race but a victory on Thanksgiving Day is always a good appetizer. The Mohawks will be out to avenge that recent 13 to 12 upset by the Flames, which put them on the skids a few weeks back. Theywill depend on their iron man "Gallopping Swede" Olsen to rip the Flames to shreds. The Flames star back, Bob Hagen will get off to several swell runs but will have plenty of trouble to face with Neumayer & Kupisch always being in the way. Captain Parks of the Flames is also a great defensive player and will make it tough on "Swede".

GRIDIRON NO. 2 - SOUTH FIELD

8.00 A.M. - GIANTS VS ACES

The Aces will really be fighting for this game as a victory will probably take them out of the cellar. Ray Jaworski leads the team in all phases of the game and will be at his best for this contest. The Aces claim that the Giants will be a pushover as they haven't enough spirit to lick a stamp. The Giants, if they have enough men to play, wilk rely on their triple threat man, Hermic Lange for some dynamite plunging and long end sweeps. Pete Winandy & Roy Terp will take care of stopping the Aces they promise. It might be a good idea for the boys on both teams to go to bed a little early on Wednesday night. Be ready to start at 7.45 A.M. with 11 men.

9.00 A.M. - ARMY VS BEARS

This is another all important game in the terrific race for the Prepper Football Title. The Bears have repeatedly come up from nowhere to beat the league leading teams and nothing would be more delightful to them than a victory over the firing Army. They have a great open field runner in Bill Haag, a fine pass receiver & runner in Dick Taylor and a good defense man in Bob Daniels. The Army realizes that a victory will probably give them undisputed possession of first place and will depend on Nordgren to carry the mail as he has done all season with remarkable success. Lewis & Phillips are also fine ball carriers and the blocking of the Vazzane brothers has been a great help. A tie here, while the Bees lick the Sox would make a 3-way tie for first place with only two games remaining on the schedule. The Bears are fighting mad and have stated that the entire Army plus the Navy won't beat them on Thanksgiving Day. Let's see!

10.00 A.M. - BUCCS VS EAGLES

WHAT A GAME! The undefeated Buces will face a recently victory-crazed Eagle term. The Eagles are the only term that have tied the Buces this year and with the great running & passing ability of Ralph Bloom & Don Samuelson aided by the splendid blocking of Bill Kost, they definitely expect a victory. However, the Buces have ideas of an undefeated season and might come through as they possess the famous backfield known as the N. B. C. "FOUR HORSEMEN" with Bob Robinson, Helmut Sigle, Harry Gunther and Vic Cavalieri all rated as excellent triple threat men. The Buces are the favorites but an upset is possible by the righting underdogs.

11.00 A.M. - SOX VS BEES

A BATTLE FOR FIRST PLACE WITH RIVALRY AT IT'S HEIGHT! If the Bees win they will be tied with the Sox for first place, if they lose it will be up to the Army & Sox to fight it out for the title. John Quinn will lead the Sox in this all important game. He is the brains of the team besides being a fine runner and an excellent pass receiver. Robert Ketter & George Quinn are also apt to break loose any time for long touchdown runs and besides they have a fine kicker in Robert Quinn. The Bees will match the Sox running ability with follows like Ed Gegonas and the Rensman brothers who are dynamite through the opponents line. Eugene Schillen will help the Bees immensely with his keen knack of breaking through to spill runners before they reach the line of scrimmage. The Sox already have announced themselves as Champs of 1939 - HOW ABOUT IT BEES?

12.00 NOCH - PIONEERS VS NAVY

These two teams have been nock & nock all season and Thursday's game will be a battle for second place. The Havy spirit together with the fine running and passing of George Dorron and William Marquette will make it tough on the Pieneers. The Pieneers. however feel that they will be at their best for this game and just won't be stopped by the Havy or anybody else. They have two excellent runners in Jack Hendle & Ken Perry who are sided by the excellent blocking of Fred Ruben. THIS WILL BE A BATTLE!

GRIDIRON NO. 3 - MORTH FIELD

9.00 A.M. - YANKEES VS RAVENS

The Yankees although in last place wit out even a taste of victory are to be highly complimented & praised for the spirit they have shown thus far. They feel that this might be their day and are pinning their final hopes on Miller & Earl Terp. The Ravens have wen two games this year and both from the Yanks. Can they win again? Well it's up to Benzinger & Zukowski to supply the touchdown runs and they believe they can. The Ravens are favored but the Yanks will be really gunning for this one. Please! Have 11 men ready to play at 8.45 A.M.

(continued on page 3)

10.00 A.M. - TROJANS VS FALCONS

In this game, the Falcons will do all in their power to emerge with a victory as it will be their last chance to get in the win column of 1939. They will rely on Phil Mercurio & Ernest Mader to supply the necessary punch. The Trojans will rely on Ben Hilfman for a cherished victory. Hilfman is an eleven year old lightweight shifty runner with an excellent change of pace and no doubt is one of the best young prospects to come up in the N.B.C. He is a constant threat to the opponents goal whenever he gets his hands on the ball and besides is a fine defensive man being one of the deadliest tacklers in the league. He is the officials choice of a Prep H. B. C. All American Halfback.

11.00 A.M. - RAIDERS VS PARTHERS

In this game the Panthers will rely on their famous passing attack from Warren Jacob sen to crush the Raiders. Lester Olson will also help the Panthers with his fine running ability. The Raiders have lost most of their games but are a fine little team with great fighting spirit. They have a fine runner in Clifford Farrell and the passing of Ray Bronald is something for the Panthers to worry about.

12.00 MOON - COMETS VS WINGS

This game brings together the two strongest teams in the Baby League. The Comets are definitely tops being unbeaten and untied. They have a wonderful running attack led by James Koopman and also have a fine passer in William Koopman. The Wings are small and will rely mainly on the speed of Jack Hunter to carry them to victory over the undefeated Comets. A victory over the Comets would make the season o.k. for the Wings
