GRID RIVALS CLASH ON THURS.

On Thursday, November 20, the annual Thanksgiving Day Football Program will be held on the three gridirons at Paul Revere Park. Thirteen games are scheduled, beginning as early as 8.00 A.M. and on each succeeding hour six different teams will take over. Every member of the twenty-six clubs is prepared to play the greatest game of his life, and the boys are on edge for the opening kick-off. A public address system will be used to announce the starting lineups, the final scores, and the highlights of the various games. College songs will be heard between quarters. Everything has been done to make this Thanksgiving Program as successful as last year's, and now it's up to you boys to take care of your end of the program. Get your team ready to play at least 15 minutes early, and make a special effort to bring your parents and friends out to the game. A synopsis of each team will show what is in store for the spectators in the way of thrilling games.

GRIDIRON #1

8:00 A.M. - WINGS VS TIGERS

In the opening encounter of the day, two teams who are neighborhood rivals will meet. Both the Wings and the Tigers are still holding a grudge, due to their earlier meetings this season. The Wings, who are tied for first place, must win this one to stay on top, while a victory for the Tigers would move them into the thick of the championship fight. Nothing would please the Tigers more than to knock their enemies out of the top rung in the Prep Division. The Wings are led by Denny Manning in the line, and by their hard-driving halfback, Bob Holm. Gordy Falknor is one of the best pass-receivers in the league, and can really travel once he grabs the pigskin. The Tigers rely on Lou Beucher and Fred Strantz. Beucher is an outstanding tackler and Strantz is a plunging fullback, who accounts for most of his team's yardage. It will be worth your while to miss a little sleep to watch these boys play.

9:00 A.M. - EAGLES VS SPARKS

The Regular Division's first game features the Eagles and Sparks. The Eagles have revived after a slow start and are determined to get out of the cellar by using the Sparks as a stepping-stone. The Sparks want to make amends for their poor showing in their last game with the Eagles and are out for blood. The fleet-footed Colin Gordon is the mainspring in the Eagle offense, while Frank Schweiding and Merle Richmond carry the load on defense. The Sparks have a well balanced outfit, with such sterling linemen as Witt, Foy, Kroyman, and Christ, and three good backs, Uselding, Frazier, and Nelson. Watch for a high-scoring game here!!!

10:00 A.M. - PIONEERS VS DEMONS

The two most evenly-matched elevens in the Regular League come face to face in this skirmish. The Demons are in first place and, but for a defeat and a tie at the hands of the Pioneers, would have a perfect record. The Pioneers are in second place and absolutely need this game to remain in the running. The Demons' strong line, led by Petty and Both, is expected to open huge holes for Pernice, Oetjens and Stecz to drive through. Besides a hard-to-stop running attack, the Demons have some tricky pass maneuvers. The Pioneers have three fine linemen, Rottman and the Kochler boys, and a sensational backfield. When Kost, Klein, Hohmeier and Nealis are clicking, there isn't a set of backs in the N. B. C. to compare with them. This will be a wide open match.

GRIDIRON - #111:00 A.M. - ARMY VS NAVY

For the second consecutive year, the Army and Navy come down to the final gun neck and neck. The two friendly enemies have been an even match all season and on Thanksgiving, the tie will be broken. In three previous encounters each team has a victory, and one game ended in a scoreless tie. Both teams play spectacular offensive football, with the Navy boasting an edge in line play and the Army being superior in the backfield. The Navy has Tom Donley, the "one man line", to spark its play with McDonough, Derron, and Geib to help him. The Army line is led by Rosenkranz, and Anderson and their backs, Nordgren, Stapleton, Lewis, and Phillips, are all fast and deceptive. This will be a close one!

12:00 NOON - MIDGETS VS BEARS

The two teams who have improved so vastly in the last few weeks, the Midgets and Bears, will fight it out to determine which is the champ of the "hard-luck" teams. Neither has had a very successful season but a Thanksgiving victory will make up for earlier losses. The Midgets have a weak line, but they have a trio of standout backs in Meyers, Hilfman, and Young. The Bears are paced by Haag and Taylor in the line, and by the Hutmakers and Franke in the backfield.

GRIDIRON - #29:00 A.M. - YANKEES VS COMETS

The "Darkhorse" Yankees hope to gain revenge for a defeat at the hands of the Comets last Thanksgiving by whipping them in the opening tilt on field 2. The Yankees have come from the cellar and in a thrilling display of courage have won eight consecutive games after losing their first four starts. They are determined to continue their victory march to the season's conclusion. The Comets have other ideas however, and will give everything they've got to continue on the way to their second consecutive football title. The Yanks have a terrific line with Schroeder, Terp, Windschell, and Howard all being hard blockers and tacklers. Their small backfield is led by "Dashing Don" Coope. This is sure to be a hard-fought game!

10:00 A.M. - PANTHERS VS RAIDERS

The Raiders, now the possessors of the best record in the Prepper League must cop this game to stay ahead of the Bats and Panthers. The Raiders opened the season with an 11 game winning streak, but the Bats put a 6 to 0 beating on them and prevented them from going into the Thanksgiving Day game unbeaten. The Panthers now hope to push the Raiders further from an undefeated season, and Jim Reed, Warren Jacobsen, and Ronny Rose all promise to make the game a runaway. The Raiders, led by their all-star quarterback, Clif Farrell, want to get back into the win column. Clif, who is a real triple-threat star, is the leading scorer in the entire N.B.C. as he has tallied more than 150 points since the season began. Kessler and Chirchirillo are the best men in the Raiders' line.

11:00 A.M. - RAVENS VS SOX

The outcome of this game may decide the champion of the Frosh "B" league. The Sox are one game ahead of the Ravens and so both teams want this game badly. The Sox hold a slight edge in previous games, but the Ravens, possessors of one of the most intricate offenses in the N.B.C., believe they can turn the trick just as they did in the season's opener. The Ravens have been practicing diligently to perfect some brand new plays to spring on the Sox. The Sox have two great linemen, Harris and Bob Quinn, to halt the Ravens thrusts and the most under-rated back in the N. B. C., "Swivel-hips" Johnny Quinn. Johnny is so deceptive he can elude tacklers while standing still. The Ravens' stars are Winski, Hebein, Smith, and Benziger.

12:00 NOON - REVERES VS RAMS

The two teams who have been having a hard time holding down their more experienced opponents are the Rams and Reveres. These two teams have suffered some humiliations during the season, but a win in this game will make the season arrive at a satisfactory conclusion. The Reveres' greatest assets are Manka, Jesperson, and Kehm. The Rams' stars are Getz, Joe Chisesi, and Schaedel.

GRIDIRON - #39:00 A.M. - TORCHES VS PLANETS

These two teams are very evenly matched and should have one of the closest contests of the day. The Planets revived their fighting spirit after a poor start and have been playing great ball for the past two weeks. The Torches are real scrappers and there isn't a team in the Prepper Division that doesn't have trouble beating them. Both teams feature powerful lines with Hutmacher, Niersbach, and Hulbert starring for the Planets, and Raul, Gruber, and Kunz doing the heavy work for the Torches. Because neither team has a good offense, the game may end in a very low score.

Note: There will be a Basketball Movie in the Gym on Tuesday evening at 8.00 P.M.

GRIDIRON - #3

10:00 HORNETS VS OWLS

Two close games have been played between these two teams already with the Hornets winning both, but the Owls think they can turn the tables this time. The Hornets are a very well-balanced team with three outstanding linemen and the same number of good backs. Rehm, Martin, and Relth are deadly tacklers and should slow up the Owls' backs. In Don Shoard the Hornets possess the greatest ball-carrier in the Baby League, and to help Don out they also have Deuschle and Kimbrel. The Owls are led by two tough linemen, Hoerdegen and Porth, and a pair of speedy halfbacks, Marwitz and Baumhart. This game is sure to be filled with thrills.

11:00 WILDCATS VS BLUEBIRDS

The two clubs have been tied for first place three times since the season opened, and in this game both will fight hard to take the top spot. In two previous tilts, not a point has been scored by either team despite their good backs. Which will be the first to score? The Wildcats have Captain Milligan to bear the defensive burden and they also possess a trio of hard-running backs, Jacobes, Davenport and Brown. To stop the Wildcats' running attack the Bluebirds have Wischer and Stahl. The "touchdown twins", Tommy Heyd and Billy Howard have promised to open up on Thanksgiving and give the Wildcats a good beating. This game should bring the biggest crowd of the morning.

12:00 NOON - PIRATES VS BATS

Since the Bats upset the Raiders last week, they still have a great chance to cop the championship and will give everything they have to win this one. The Pirates have different ideas, however. They want to win this game more than any one they've played during the wole season. The Bats have a well-matched lineup with three men, Kocher, Livingstone and Bauman proving to be outstanding at their positions. "Shorty" Bauman is one of the shiftiest backs in the Prepper League and will be a headache to the Pirates. The Pirates have Anderson and Shanahan as their stars. "Mickey" Shanahan is their sparkplug and is really a one-man team as he blocks, tackles, passes, kicks, and runs with great efficiency. Watch for an upset!

PLAY FOOTBALL ON GRIDIRONS ONLY

The N. B. C. has been playing football in Paul Revere Park for 11 years and during that time all the boys have played football inside the park boundaries. Last week however, several of our boys went into the adjoining golf-course and practiced there with the result that two greens were damaged. The boys ran on the smooth grassy ground and cut into the turf deeply with their cleats and heels. All N.B.C. members must stay out of the golf course. Anyone who is reported inside the golf course will be indefinitely suspended. Please have consideration for other people's property, and use the three fields which we have, or practice on the Cal Park field.

KICKER DE LUXE

Tom Donlye, all-around star of the Navy, specializes in one item - kicking. Tom is one of the finest place-kickers and punters ever to play in the N. B. C. So far this year he has kicked-off over the goal line about 50% of the time. Every one of these boots covered 60 yards, which is quite a way. The Navy's opponents may as well sit down on the kickoff because there probably won't even be a chance for a runback. Tom hopes to display his talents on Thanksgiving Day. Watch him and see if you don't agree that he is a "kicker deluxe".

PING PONG TOURNAMENTSF R I D A Y

Due to the boys not having any school on Friday both Ping Pong Tournaments will be held in the afternoon.
BOYS 11 & UNDER will have their tournament at 2.00 o'clock sharp.
BOYS 12 & OVER will play at 4.00 o'clock.
 Rules will be the same as usual with boys playing in brackets of 8. The winner in each bracket will qualify to play in the Tournament of Champions next spring. One individual point will be awarded to each boy that participates.

ALL MEDAL WINNERS

A list of all medal winners will be published on the Bulletin Board next week. If there is any error, kindly let us know immediately.

WE NEED YOUR HELP

A letter has been mailed to your parents requesting them to help out the Christmas Ad Committee by securing at least one ad for our Program. We certainly will appreciate their efforts whether successful or not. PLEASE REMIND YOUR PARENTS and we know they will help.
