HAPPY THANKSGIVING

The NBC Staff & Leaders, our Program Committee, Moms' and Dads' Clubs, Alumni and Board of Directors wish everyone a **HAPPY THANKSGIVING!** We would also like to commend our coaches and players for doing such a fine job this season. We have seen lots of exciting football and appreciate all of the effort, spirit and sportsmanship. We also thank the many parents who've been so supportive, lining the fields each week rain or shine!

Additional thanks go out to all the people who are working to make the Turkey Bowl a success, from the two dozen alumni officials to the many moms and dads helping with refreshments. Thanks, also, to Burk Gillani from Dunkin' Donuts on Lawrence and Ravenswood, to Adam Hennig and Jim Ray for the hot chocolate, to Al Birch and Liberty Service for the coffee machine and to Bonnie Werstein and the NBC Cheerleaders. We hope that no one was left out!

! NBC IS CLOSED !

The Club will have a few days of special schedules as we approach the Thanksgiving holidays. Although NBC is open on Tues. Nov. 23rd, the gameroom will be closed as Turkey Bowl preparations will be in high gear. This will not affect the Cheerleaders or Karate.

On Wed. Nov. 24th the Club will be closed all day. We will hold the Pep Rally in the Revere auditorium at 7:00 p.m. that night, with the doors opening at 6:45 p.m. On Thanksgiving we'll close right after the games and we'll also be closed on Fri. Nov. 26th for clean up. The Club will be back to normal on Sat. Nov. 27th with the start of pre-season basketball games and uniform returns.

**CHRISTMAS TREE
SALE IN DECEMBER**

The NBC Dads' Club will meet again on Wed. Dec. 1st at 7:30 p.m. The dads help out NBC and the children in many ways, including coaching, building improvements and repairs and raising money. They are not only getting ready for the holiday tree sale, but also for their annual holiday party. More details in December.

The next big event for the group will be the Christmas Tree Sale on Dec. 10th, 11th and 12th. Scotch Pines, White Pines and Balsams (6 to 8 feet) will be on sale for \$20 to \$35 each. The sale goes from 6:00 - 9:00 p.m. Dec. 10th, and from 9:00 a.m. until 9:00 p.m. Dec. 11th and 12th. We hope that all of our parents and friends will buy their trees from NBC and help to raise money for the boys and girls programs. Many things have been cut from the program this year as our budget gets more difficult to meet. Your support can restore these activities next year.

**THANKSGIVING DAY SPONSORED
BY BRENDA WEIGELT**

NBC is very thankful for the support of Mrs. Brenda Weigelt, who is sponsoring the Turkey Bowl Classics in the memory of her late husband and longtime NBC friend, Johnnie Weigelt. FULL REFUNDS GIVEN UNTIL DEC. 4TH

NBC would like to remind all players and parents that the NBC football equipment must be returned within one week of Thanksgiving. The return dates run from Sat. Nov. 27th through Sat. Dec. 4th. As outlined in the letter signed by parents at the start of the season, the uniform must be returned clean, in good condition and on time to qualify for a full refund or donation credit.

1. The jersey must be washed clean of mud and dirt and small tears must be sewn up.
2. The helmet must be scrubbed free of dirt and marks inside and outside. The helmet should be polished and the helmet number, light stripe and light "L" are to be left on. **DO NOT USE A METAL SCRUBBING PAD OR AN ABRASIVE CLEANER ON THE HELMET!**

5. After Dec. 4th there is a \$5.00 per week late fine which must be paid in cash. Basketball players must have returned their uniforms before gametime Dec. 4th in order to play that day.

Many of our parents have been quite generous in donating their uniform refunds to NBC as a part of the yearly Parent Financial Support Program. We ask each family for \$40.00 per year for one child and \$60.00 for two or more. Donations are what keeps the programs running. We have already had to cut \$20,000 from the 1993-94 programs and will be faced with more cuts next year.

PREP BEES vs. LOCUSTS

FIELD 1 - 8:30 A.M.

BY: TONY RAMIREZ

This is it, the classic Turkey Day matchup between two long-time neighborhood rivals, the Bees and Locusts. These two teams have been battling each other for at least forty years, with this age group going head-to-head for the past four years. This is like a Bears-Packers rivalry. Every game has been an intense battle for neighborhood bragging rights, with the winner of this game having those rights for the next year.

The Bees are former two-time football champs and rely on their power running game, mixed with an occasional passing attack, on offense. They run their offense out of the "I" formation with two tightends, with their best plays being misdirection plays. The Bees possess, arguably, the best running back in the league, Tomo Rodriguez, with a talented running attack consisting of T.J. Olifer, a cut-back runner, and Joven Salameda, who follows his blocks like no one else in the league. The running attack of the Bees is effective thanks to the offensive line led by Michael Holland, Jon Otto, and Nick Duckhorn. Tomo and T.J., who scored most of the Bees TD's this season, thank their offensive line a great deal. When coaches Brent Weaver and Tony Olifer call for a pass play, T.J. is called upon to look downfield for main receivers, Aaron Brady, Tony Schreck, and Michael Fritzsche, and Ross Heilbrunn. The Bee defense keeps the team in every ballgame, with their quick read and react style of defense. The team relies on defensive linemen Lucien Carter, Brian Schreck, Philip Franks, and Matthew Holland to stop the running attack of opposing teams. Todt Marks has done an excellent job on kickoffs this year, making the opposing teams start deep in their own territory. The Bees feel that they themselves have been their toughest opponent this year. They feel that if they show up with their heads on football, that they are a tough team to beat. It is noted that the Bees have never lost on Thanksgiving Day and that is why they will win the bragging rights for yet another year.

The Locusts have had their share of goods and bads this season. They started the season with high hopes and unfortunately they struggled. The Locusts run their offense out of the "T" formation mostly, but sometimes like to mix it up with an occasional "I" formation with split-ends. The Locusts have a talented running game led by John Springsteen, who is one of the best power runners in the league, Tommy Gudella, who is an excellent finesse runner with excellent slashing ability, and Tim Ward, who is excellent at reading his holes and getting the first down when needed. The most successful plays for the Locusts have been runs up the middle by both the QB Tony Aguado and their running backs. They like to stack their "big" men tight on the line to penetrate and create holes for the offensive running game. The main guys on the line are Robert Contreras, Chaz Reynolds, and Brandon Brummet. When coaches Bernie Aguado and Terry Simon call on a pass play, one of two guys is called upon to do the passing, Tony Aguado and Nick Simon (heavy). Tony and Nick look down-field to three talented receivers, Ryan Rivera, Danny Serrano, and Joe Cirone. The three main men on defense this year have been Angel Benitez, Nick Simon, and Matt Tripoli. The main strength for the Locusts on defense has been their quickness off the ball and their ability to contain well against the run. The Locusts feel that the Pirates have been their toughest opponent this year because of their power and quickness. I feel the Locusts can be victorious on Thanksgiving Day because they are destined for victory. They have played so many close games this season, but ended up on the short end of the stick most of the time. They feel that they will get things on track and be ready for victory. "We're going to play our hearts out for a win, and no better day to do it than on Thanksgiving Day, in front of many people watching." GOOD LUCK TO BOTH TEAMS!!! (Thanks to Fares for believing in this team when the coach wouldn't!)

TRIBE VIKINGS vs. FALCONS

FIELD 2 - 8:30 A.M.

BY: ARTURO RADILLA

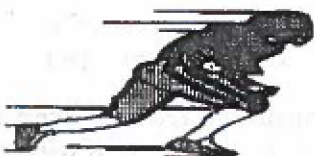

The 8:30 game on field 2 is the championship game for the Tribes. The Vikings will face the Falcons and the winner today will capture the league title. The Falcons won the first half, and the Vikings took the second half undefeated. The Vikings are looking for a third straight championship.

The Vikings rely on their passing which has been very successful. Juan Garcia drops back as a heavy and is looking for Victor Arroyo, Brian Matza, and Matt Manzano. When the Viks are not passing they also have a very good running game. V. Arroyo and Joe Tibor provide a very good running game. V. Arroyo is the leading scorer for the Viks. The offensive line which provides excellent blocking is lead by Scott Nettnin, Edgar Rodriguez, and Gabe Arroyo. The strength on offense for the Viks is their receivers. Garcia handles the punts while Manzano handles the kickoffs. The strength on defense for the Viks is the lineman which consists of Manzano, Nettnin, and G. Arroyo. The captains are Manzano and Tibor. The toughest opponent for the Viks has been the Falcons because of their good running game.

The Falcons have done a great job this season. The Falcons have a very explosive offense. They mostly work out of the spread formation and the shotgun. Passing plays have worked very well for the Falcons. The offensive linemen, Gabriel Herezi, Paul Anderson, and Danny Matwij provide solid blocking. When heavyback Marquis Folks drops back to pass, Anthony Feliciario, Jose Cuevas, and Ricky Avelar are the main targets. The strength on offense has been run plays; Freddie Allende, Ivan Reza, Folks, Rubschlager, and Cuevas are the top runners. Avelar handles the punts and the kickoffs. On defense the end has been the strength for the Falcons. The defensive line, which consists of Matwij, Herezi, and Anderson, have gotten a lot of sacks by means of very good flag pulling. The captains for the Falcons are Allende and Folks. The Vikings have been the toughest opponent for the Falcons because of their well-balanced team. The Falcons feel that they will win on Thanksgiving Day because, "We would like to upset a possible 3-peat. The Falcons will pull everything from their sleeves to do what it takes to win the championship for 93."

The Vikings are coached by Israel Arroyo and Rex Pecoraro, while the Falcons are guided by Marty Martinez, Jim Lane and Ed Matwij. Good luck to both teams. "Who knows this game could end up 0-0."

TRIBE LOCUSTS vs. BEES

FIELD 2 - 9:45 A.M.

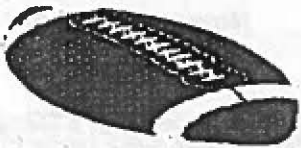

BY: TONY RAMIREZ

This year's 9:45 game features the Locusts and the Bees. Both teams have played well, and accomplished many things this year. Both teams are looking to add just one more victory to their record.

The Locusts are led captains Patrick Law and Bill Cline, and coach Rick Davis. This Locust offense likes to work out of the T Formation. With blockers like Michael Willbanks and brothers Joe and Marty Rogers, almost anything can get done. Adam Davis, who calls the plays for the Locusts, likes to go the the short passing game. Adam always goes to his favorite receivers Cline and Law, who are always to be open. The Locusts also rely on their running game. Their running is led by Law, who is a straight ahead runner and isn't afraid of contact. Another important runner to their offense is Paul Aspengren who loves to sweep and has outstanding speed to the outside. On defense their line is led by the great effort of Bill Hebert, Danny Hall, Joe Christopher, and Casey Graves. Giving a constant effort for the Locusts are Paul Rohde, Sean Fracek, and Ali Morsy.

PREP PIRATES VS. BOBCATS

FIELD 1 - 9:45

BY: FARES ZANAYED

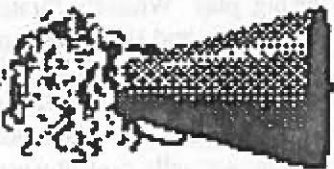

This the "Mother of all Battles", the Prep Pirates vs. the Prep Bobcats. The first half champs, Bobcats against the second half champs, Pirates who are also defending champions. The Bobcats will be trying to dethrone the defending champs and win its first football title. These two teams have been thorns in each other's sides. They have been the powerhouses of the league. They have had some classic battles in the past with the outcomes being split. These two teams have played each other four times in the regular season, each team winning twice. But what made this game a championship is the victory the Pirates had last Saturday over the Bobcats, in a playoff game for the second half. This is sure to be one of the greatest battles of NBC history.

The awesome Pirate offense is based on speed and quickness, topped off with exceptional blocking. The Pirates run their offense out of the "I" formation with a split tight-end and two receivers. They possess the most-feared running attack in the league led by Jason Negron, who is a Barry Sanders type runner with fast cutting ability, Julio Perez, who is a fast power runner exploding through the holes and excellent open field runner, and Ben Rodriguez who is an exceptional power runner who comes at you with full speed. The Pirates mix up their offense quite a bit with their best plays being pitches, sweeps, and pass plays. The biggest strength on offense for the Pirates this season has been excellent blocking by their interior lineman and their team play. The offensive line of the Pirates is led by a number of players, who all do their jobs exceptionally well, and understand that without their blocking on the line that their running backs would have a very hard time scoring. They are Greg Schulze, Dennis Fairbanks, Robert Wise, Gil Ruiz, and Luis Loza. When coaches Paul Jensen, Paul Schulze, and Les Wise call on a pass play, QB Phil Jensen is called on short passes and Greg Schulze (heavy) is called upon the deep passes. Their main receivers have been Jason Negron, Michael Lansu, Stephan Kottra, and Ben Rodriguez. The victories for the Pirates this year have come, in large part, by their defense. They possess an excellent pass rush and run defense, with a great defensive backfield led by the great containment of Steve Schulze. Opponents have found out the hard way how hard it is to run against the Pirates defensive line led by Greg Schulze, Gil Ruiz, Luis Loza, Robert Wise and Dennis Fairbanks. Jason Negron has done most of the kickoffs, while Ben Rodriguez has done most of the punts. David Jones and Anthony Oliver have also been of great help for the success of the Pirates this season. The Pirates felt that the Bees have been their toughest opponent this season because of their hard play, and that they were well coached and practiced very well. They feel that they will win on Thanksgiving Day because they play as a team and they never criticize one another. Everyone does their job and stays in position with excellent pursuit. They are a very unselfish team.

The first half winners, Bobcats, base their offense on pure power led by the "monster" offensive line for yardage. They are an explosive team who mix their offense with both run and pass, and use both exceptionally well in their attack. The Bobcats run their offense out the "I" formation, split between the shotgun or a direct snap. Their most successful plays this season for the Bobcats have been the triple option passing play, a version of the "Run and Shoot", and flanker reverses. The running attack of the Bobcats is led by the great open field speed of Ronald Diversey, the power running of Brian Wright, the slashing ability of Rick Lewis, and the finesse of both Matt Beyer and Paul Bratanch. The "big" key for the Bobcats running attack this season was the excellent blocking ability of the interior offensive linemen led by Justin Letrich, Wayne Duckmann, Joey Maas, and Derek Stiles. They have been a big reason for the running success of the Bobcats. When coaches Wayne Duckmann and Andy Letrich call on a pass play, QB Brandon Feamon (heavy) is called upon to look downfield to receivers Richard Diversey, Robert Diversey, and Wayne Duckmann. Brandon Feamon is also a target downfield when Ronald Diversey takes the snap from center. The Bobcats defense is the key why they are where they are today. They do an excellent job of reading the opponents offensive schemes, and contain them very well, and their quickness to getting to the ball. Opponents suffer with their running game against the Bobcats due to the excellent job that their defensive line has done in getting to the backfield and forcing things to happen. They are led by Justin Letrich, Wayne Duckmann, Kevin Fracek, and Joey Maas. Brandon Feamon does both the punting and the kickoffs for the team. The Bobcats feel that the Pirates have been their toughest opponent this season due to their equal ability and because they are the biggest rivals to the Bobcats. They feel that they will win on Thanksgiving Day because all the players will be at a physical and emotional peak for the Turkey Bowl, and that is what will carry them through.

TRIBE BEES VS. LOCUSTS - continued from page 2

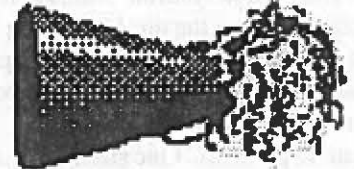

The Bees are lead by the coaching of Doug Halvorsen, Larry Coleman, Bob Calkins, and Tom Calkins. Together these coaches have worked hard to improve the Bees. Coach Bob Calkins calls the plays QB Dylan Stahl carries them out. The Bees like to keep the defense guessing every time they go to the line, whether it be the running of Roy Akers, who is an aggressive heads up runner who's not afraid of contact, or Kevin Schoenfelt, who has a cutting style of running. When Dylan looks to pass he always looks for the open man. He has great receivers such as Rich Podsada, Chuck Fanning, Vinnie Joyce, and Armando Martinez. The solid offensive line is lead by Adrian Garcia, Arnulfo Ruvalcaba, and Oscar Loza. While on the defensive end Chris Halvorsen, Matt Lane, Rahul Sanghrajka apply pressure on the offense with their "in your face defense."

TRIBE BOBCATS VS. BEES

FIELD 2 - 10:20 A.M.

BY: ARTURO RADILLA

This game is being played by two teams which worked hard but struggled to make it to the top. The Bobcats are coached by Tom Borgert and Gil Acevedo, and are captained by Tony Borgert and Shaun Meza. The QB and the coach make the calls. Heavyback plays have worked well for the Bobcats. The Bobcat ground game uses four runners, Manny Alvarez, Shaun Meza, Tony Iturralde, and Borgert. Alvarez and Hugo Mendez dropback and look for their receivers. The powerful blocking is led by Ryan Letrich, Vince Iturralde, and Walter Ray. Mendez handles the kickoffs while Alvarez does the punts. The defensive surge is lead by Lewis Shapiro, Ryan Johnson, and V. Iturralde. The strength on defense has been a good rush and pass coverage. The Bobcats feel that they will win today because, "After a tough season, we want to show everyone we still have spirit and competitiveness."

The Bees are led by the coaching of Doug Halvorsen, Larry Coleman, Bob Calkins, and Tom Calkins. Together these coaches have worked hard to improve the Bees. While coach Bob Calkins calls the plays QB Dylan Stahl carries them out. The Bees like to keep the defense guessing every time they go to the line, whether it be the running of Roy Akers, who is an aggressive heads up runner, who's not afraid of contact, or Kevin Schoenfelt, who has a cutting style of running. CADET BEES VS. LOCUSTS

FIELD 3 - 9:45
BY: RICARDO SOLIS

This game features a pair of long-standing neighborhood rivals playing for bragging rights for the year. Both of these teams played hard and while not in contention for a championship, they proved that they had great sportsmanship and did not get down and kept coming out to their games and giving their best effort.

The Bees had a good year and although they did not win a game, they played hard in every one and were usually just one play away from making it their game. The Bee offense likes to run out of the "I" formation with Charles Akers doing a terrific job with the quarterback duties. When the Bees decide to put the ball in the air, Charles likes to hit his favorite targets, Robert Bastyr, Andrew Gschwind, and Tim Flaherty, all of who do a great job of hauling in the pass. The Bees mainly like to stay on the ground and grind the yards out with their two talented running backs, Marko Vukasinovic and Dan Delmonte, who both utilize their good speed and find the holes quickly. Throughout the year, Dan and Marko have been responsible for doing most of the scoring for the Bees. When it comes time to do the kickoffs, the entire team plays a part in it, while Delmonte handles the punting chores. For the Bees offense to work, they have to rely on their offensive linemen to get the job done with their blocking. Anchoring down the line for the Bees are Mark Fritzsche, Pat Walsh, Carl Goosinow, Eddie Nash, and Kenny Schoenfelt. The Bees defense is led by Joe Kaiser, Kenny Schoenfelt and Eddie Nash, who do a great job of reading the play and coming over to make the big stop. The Bees have been coached this year by Lenny Schoenfelt, Mike Delmonte, and Robert Bastyr who have done a great job of getting the team prepared for each and every game. The Bees believe that their toughest opponent of the year has been the Cougars because they are well disciplined and make very few mistakes. The Bees feel that they will win on T-Day because they have not won all year and feel that they want to show everyone how good of a team that they really are.

The Locusts are a team that has come a long way in the past year. Last year, they did not win a game all year but have worked hard this year and shown that they are a dangerous team. The Locusts like to run their offense out of the split back formation with Danny Ward handling most of the quarterback duties with Dan Rohde able to come in for a replacement at any time. They feel that their most effective play of the season has been the power sweep, with Dan Rohde being the main running back who has the speed to break a touchdown at any given moment. When the Locusts decide to air the ball out, Dan Rohde usually does the passing duties with Joshua Johnson and Fernando Cruz being the main targets. The Locusts offense relies on the great blocking of it's line which includes Tim Jendry, Michael Zweiner, Kevin Ward, and Joshua Fracek. When the Locusts need a kickoff, they rely on the powerful foot of Joshua Johnson to bury the other team deep, while Dan Rohde usually takes care of the punting chores. What has been the Locusts strength this year has been the brilliant play of their defense. They believe that the great play of their safeties, cornerbacks, and linebackers have been the reason that their defense has only given up one touchdown in the second half. Outstanding defensive plays are usually turned in by Dominic Erbacci, Hector Macstre, Ryan Peterson, Daniel Brancecki, and David Mendez. The Locusts are coached by Tom Ward and Hector Macstre who have done a good job of preparing the team and working with them throughout the season. The Locusts feel that their toughest opponent all year has been the Cougars because it is always a close game which seems to be decided by one play as evidenced in the tie game that they had and another game where the Locusts fell one point short. The Locusts feel that they will win on T-Day because they want to beat the Bees and have the satisfaction of having bragging rights for the year.

Both teams have played a fine season as far as sportsmanship and increase in skills. With bragging rights up for grabs the game is anybody's who wants it. Good Luck to both teams in this big and final game.

CADET PIRATES VS. COUGARS

FIELD 1 - 11:00
BY: JEFF JARVIS

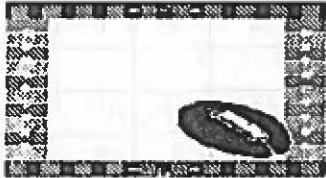

This game will be a matchup between the Pirates, who have just clinched their second straight football title this past week, and the Cougars who have played hard all season and almost forced a championship game between the two teams. This game, although not for a championship, is still a big one to the Cougars as they want one more shot at beating the Pirates. In fact, the Pirates have only lost one game in two years and the only team to beat them was the Cougars this year.

The defending champion Pirates have probably the most potent offensive attack in the league as they have many weapons that can explode at any moment. Their quarterback is Michael Hernandez, who likes to run the plays out of the shotgun formation. The main types of plays that have worked the best for the Pirates this year are sweeps and quarterback sneaks. The backfield consists of two talented running backs. Leo Ferreras is called upon and because of his good speed; if he breaks free, it usually results in 6 for the Pirates, while Andrew Johnson is more of a slashing and cutting runner who uses his agility to make the big play. When the Pirates decide to go to the air, Hernandez likes to aim for his favorite targets. Will Locke, Trinidad Castillo, Dan Jensen, and Dan Cebollero do a good job of hauling in the pass. While Leo, Michael, and Andrew account for most of the Pirates scoring, it would not be possible if not for the great blocking of the offensive line. The three main contributors to this line are Richard Agpasa, David Ramirez, and Alfonzo Salameda. When the Pirates need a big kickoff or punt to bury the other team, Francisco Galicia is called upon to perform. One strength that has enabled the Pirates to be so successful has been their size. This is especially evident when the Pirates are on the defensive side of the ball. This combination of both speed and size is what helps the Pirates to come up with the big play on defense. Leading the defensive charge this year for the Pirates have been Hector Garcia, Antonio Dinatale, and Richard Agpasa. The Pirates have been coached this year by Herb and Dave Hernandez. They have done a great job with the team in keeping them focused and playing with enthusiasm. The Pirates believe that they will win on T-Day because of their great concentration and desire to win their second straight championship. Finally, the Pirates feel that their toughest opponent this year has been the Cougars because they feel that they have similar strengths to them and that they never quit or back down.

The Cougars are the only team in both years to hand the Pirates a loss. They also have a potent offense and are the team to utilize the pass the most in the league. They have a tough defense that can shut the opposing team down instantly. The Cougars like to run their plays out of both the "I" formation and the Pro Set. They feel that their most successful plays this year have been the reverse and the quarterback sweep. Jason Frumkin handles all of the quarterbacking duties with both himself and Fernando Acevedo being the main running backs. They rely on Freddy's straight ahead running and speed to move the ball up the field while Jason is more of a slash and cut runner. When the Cougars decide that they want to air the ball out, Jason usually looks to hit Ryan Raleigh, Chad Wright, or John Chaput for the big gain. Jason and John have accounted for most of the Cougar scoring this year. When the Cougars need a big kick to bury the other team deep in their territory, Tim Chambers is called upon to deliver the big kickoff or booming punt. One part of the Cougar offense that is the key to everything working, is their great blocking. The offensive line is made up of Tim Chambers, Josh Leitlage, Chuck Ridge, and Adam Burgos. (continued on page 5)

CADNET PIRATES VS. COUGARS - continued from pag.

As mentioned above, one thing the Cougars pride themselves on is their tough defense. Many have turned in stellar performance this year. Their excellent ability to read and stop the play has resulted in many big defensive stands. Contributing heavily to the defense this year and making big plays have been James Ridgeway, Kevin Sadjak, William Rother, Kirk Sandberg, and Frank Zapata. The Cougars have been coached this year by Bryan Raleigh, Chuck Ridgeway, and Ken Welsh. They have done a job of working with the team and getting them to always play their best and at the top of their game. They feel that they have been their toughest opponent this year because they have a big team and are physical and can wear a team down because they keep coming at you with different weapons. They feel that they will win on T-Day because they are the only team to ever beat the Pirates and thus they feel that they match up very well against them. No matter what the outcome of the game tomorrow, you can be assured that it will be a very tight and exciting game because the teams match up extremely well against each other. Good Luck to both teams and congratulations on a fine season!

FIELD 2 - 11:00 A.M.

BY: RICARDO SOLIS

This game is being played by two teams that worked hard and never gave up. The Bobcats looked good in preseason but struggled in the regular season.

The Bobcats are coached by Tom Borgert and Gil Acevedo, and are captained by Tony Borgert and Shaun Meza. The QB and the coach make the calls. Heavyback plays have worked well for the Bobcats. We are collecting coats, winter clothing, blankets, canned and dry goods and toiletries (tissue, soap, deodorant, disposable razors, shaving cream, etc.). Won't you all join us?

We will accept dropoffs on any day but are asking everyone to aim for Saturdays during November, as well as Thanksgiving Day. All goods collected will be donated to local shelters and food pantries. Please remember Nov. 27th and Thanksgiving Day! What better way could there be to get into the spirit of the Holiday Season than to help those who need it the most?

**THANKS TO OUR FOOTBALL COACHES**

Among the most important pieces of a football team are the coaches. They are the guiding force, the ones who provide Leadership and Direction. These adult volunteers teach by example the ideals upon which NBC was founded in 1931 - hard work, discipline, fairness and loyalty. Thanks to this special group the NBC idea has worked again this season.

These people have spent a great deal of time and have done their best for every player. The attitude and example they have shown should be carried onto the field by every player. We can only hope that this attitude will stay with you throughout the year, living in a world where drive-by shootings and other forms of violence are more common than interceptions and fumbles. Our thanks also go out to the many parents and "unofficial coaches" who have lined the fields since the middle of September. No one could have accomplished anything without all of you.

Rich Brandon had a drawing last week from among the many volunteers who helped to make the Haunted House a huge success. The winners were Maryann Brandon, Lisa Siebenhaar, Cheryl Roche, Rosemarie Levy, Juanita Roosevelt, Tom Nickels, Joe Liberto, Jim McNulty, Scott Schneider, Lewis Shapiro, Kathy English, Donna Jarvis and Harry Shapiro.

FINAL FOOTBALL STANDINGS

Players listed below have been honored by their teammates and league coaches as Football All-Americans for 1993. They were selected based upon more than skill alone. More important were their qualities of Leadership, Dependability, Commitment and Sportsmanship. An All-American will always give the team his best effort and tries to set the best example for teammates. Congratulations to all of you for your contribution to the team and to the Boys Club.

LEARNING CENTER IS OPEN

LEARN HOW TO USE COMPUTERS

The NBC Learning Center is open on Wednesdays from 4:30 until 5:30 p.m. Did you get a D or F? If you did then the best thing you can do for yourself is to GET SOME HELP! We have the right people here to help you. If you don't need help, then maybe you'd like to learn more about using computers! This is also a part of the Learning Center. Sign up is still underway. Forms are available at the Counter. Just have your mom or dad fill it out and bring it to the next class. Volunteer help is welcome! Among those already helping are Ed Forst, Gloria Ottosen, Ed Clement and Kathy Capodice.

Parents, before you ground your child from his or her team, please take a look at the Learning Center! Grounding does not improve grades - help does!

BASKETBALL PRACTICE SCHEDULE CHANGES

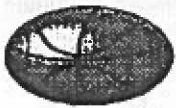

Here is the regular schedule for winter boys basketball practices. There will not be any practices during Thanksgiving week, but we will resume on Wed. Dec. 1st. The Cadets will practice at NBC, and the Preps and Tribes at Revere Park. **Be sure to wear clean, dry gym shoes for every practice. Also, be careful about bringing valuables to the Fieldhouse unless you bring your own lock. We cannot always keep the lockerroom locked and neither NBC nor Revere will be responsible for thefts.**

Let's all remember that a player's practice attendance is a part of his commitment to the team, and will affect his playing time. Coming out to the games is not enough! You have to give 100% to receive an equal amount of time on the floor. If your practice attendance slips, there may be no choice but to bench you until there is improvement.

DON'T FORGET YOUR TEAM SHIRT AND CLEAN, DRY GYM SHOES!

SHIRTS & NUMBERS GO ON SALE

All basketball players will need an NBC team shirt and iron on number for each game. Shirts must be worn starting with the first pre-season game and numbers must be in place by Sat. Dec. 4th. Shirts are on sale now at practices and cost \$5.00. Numbers are .50 each. It is a good idea to have two shirts available.

RULES FOR USING THE REVERE GYM

Park Supervisor Terry O'Malley asks for the cooperation of our members and parents in using the Revere building and facilities. He would appreciate your compliance with the following rules:

1. Gym shoes-only are allowed on the gym floor. They must be clean and dry. Try to carry your gym shoes and change downstairs.
2. When walking from NBC to Revere, please use the sidewalk which cuts between the buildings rather than walking through the mud.
3. Players are asked not go over to the park more than 15 minutes before the start of their game or practice.
4. Everyone is asked to wait in the balcony until the current activity ends. rather than to sit or stand on the stairs or around the lobby.
5. All of your belongings are to be kept in a locker downstairs, or by your parent or friend in the balcony. Coats, caps, clothing, etc. are not allowed in the gym or gym lobby. It is a good idea to bring a lock as NBC and Revere will not be responsible for lost or stolen items.
6. Food, pop, candy, gum, etc. are not allowed in the gym or balcony.
7. Misbehavior will not be tolerated in the Fieldhouse. The park staff can have you leave the building and miss your activity if you get out of hand.

BASKETBALL CONTESTS COMING IN DECEMBER!

The annual NBC Basketball Free Throw and Achievement Contests will be held while the schools are off for the holidays. Members will toe the charity stripe and take 25 shots, aiming for a trophy or ribbon. In the BAC you'll be tested in four skills - free throws, jump shots, lay ups and under-the-basket shots. All members who total 2,000 or more points under the scoring system, which is handicapped by age, earn trophies. The top scorer earns the title of "Mr. Basketball" for a year! Be sure not to miss either of these big events.

COACHES NEEDED FOR BASKETBALL

NBC is looking for men and women who are interested in volunteering to coach this season. We need people who are 21 or older, have a couple of free days per week for games, and who can be low-key while setting a good example. If you would like to help a team, please stop by the office. Coaches will meet after Thanksgiving. There will be a meeting on Tues. Nov. 30th at 7:00 p.m. and on Thurs. Dec. 2nd at 7:00 p.m. All Cadet, Prep and new Tribe coaches must attend one of these meetings. Only coaches who attend a meeting will be approved and allowed into the gym for games starting on Sat. Dec. 4th.

BASKETBALL CAPTAINS TO MEET

The newly elected Cadet, Prep and Tribe Basketball Captains will meet at NBC on Mon. Nov. 29th at 4:30 p.m. Be sure not to miss this meeting. We'll give you updated team rosters and talk about your team responsibilities. The meeting will last about 45 minutes. **Please do not miss this start-of-the-season meeting.**

GIRLS READY FOR ALL-STAR DAY

BY: BONNIE WERSTEIN

As we reported last week, the Junior League Basketball Season came to a close a week ago and IHM clinched the championship with another perfect mark of 4-0. The girls will gather for one more time on Wed. Dec. 1st - All-Star Day. The champs from IHM will tipoff against the All-Stars from the rest of the league at 5:30 p.m., followed by a Parent & Daughter game at 6:15. Light refreshments will be served afterwards in the clubhouse. We look forward to having the balcony filled with parents and friends cheering the girls to do their best!

The Senior League girls closed out the regular season this past Monday with a pair of games, one of which set the stage for the league championship. The 5:30 game was a battle between the Demons and IHM 7th. Both teams ran the ball during the first half, but IHM hit a few more shots and led 13-7. The Demons played hard and tried to rally in the second half, but their defense could not stop the IHM 7th fast breaks. The winners were led by Teresa Mrozik with 6 pts., Jenny Barrett with 5 pts., Mary Alfafara, Erin Sharkey and Jennylene San Diego with 4 pts. each, as well as Victoria Mathews, Gina Imburgia, Heather Brendt and Amanda Tanguma. The Demons showed that they were a team by their greatly improved offense, but still could not stop the potent offense of IHM. They did an excellent job, led by Melissa Charbonneau with 8 pts., Arzu Acar with 5 pts., and Jill Fellers, Heather Lewis and Nicole Dawson with tremendous effort. Congratulations to both teams on a job well done!

The second game saw the first half winners - IHM 8th - take on the second half challengers - the Looney Toons. IHM captured the first half undefeated but ran into a roadblock in the second half. The Toons needed a win to force a title playoff while an IHM win would wrap it up. The Toons held a slight edge at the end of a spirited first half 11-9. The Toons outscored IHM in a defensive 2nd half to hang onto the win and force a playoff on Dec. 6th. The winners were led by Mary Grieb with 6 pts., Liza Warren with 4 pts., Codi Killis with 3 pts., Julia Watson and Marlene Fuentes with hoops, and Susan O'Brien, Melissa Cochran, Robyn Sells and Julie Dakers with great defense. IHM 8th was powered by Melissa Sabaduquia with 6pts., Jamie Funkhauser with 3 pts., Letisha Arriaga and Melissa Gavin with 2 pts. each, Nicole Olles with a free throw and Lea Celicious, Tina Streng, Jenny Sellers, Vanessa Wright, Vicki Kunz and Jill Johnson playing well.

The Senior League will have an All-Star Day on Mon. Nov. 29th with the All-Star game at 5:30 and the Parent & Daughter Game at 6:15. Light refreshments will be served in the Clubhouse afterwards. Good luck to both teams in the playoff on Mon. Dec. 6th at 6:00.

BASKETBALL ACHIEVEMENT CONTEST RESULTS

We held the annual Basketball Achievement Contest last Friday and are happy to announce that Jade Slaicente is "Ms. Basketball" for 1994. She totaled 1,822 points while hitting 1 free throw, 9 lay ups, 2 set shots and 4 timed shots. She will receive a trophy for her accomplishment.

None of the girls scored 2,000 points or more, so no other trophies will be awarded. We will, however present ribbons to Kate Malan for second and Jane Stegbauer for third in the 11 year old group, as well as to Mary Grieb in the 13 year old group with 1,593 points. Congratulations to the winners and to all who tried their best.

GIRLS WINTER SPORTS TO START IN DECEMBER / TEAMS ARE COMING ALONG

Now that the basketball season is ending it won't be long before we move to winter sports! Girls in 4th through 9th grades who were born between 1979 and 1984 are eligible to play. The teams are shaping up a little more each week. We are looking at volleyball and floor hockey and have a lot of interest in both. The interest of the girls will help determine which sports will be played. Games will be played on Mondays and Wednesdays, with practices starting in December. More girls have been signing up and things are getting closer!

If you'd like to play you can talk to Bonnie on Mondays and Wednesdays between 4:30 and 5:00 p.m. We'll accept school teams or neighborhood teams. Talk to your friends at school or in the neighborhood and come in today. Your help will make the difference! The girls will meet on Wed. Dec. 8th. The Junior League meets at 4:30 and the Senior League at 5:30.
