HAPPY THANKSGIVING

The NBC Staff & Leaders, our Program Committee, Moms' & Dads' Clubs, Alumni and Board of Directors wish our members and families a HAPPY THANKSGIVING. We would also like to commend the coaches and players for the fine job and hard work they've put out since September. We have seen a lot of exciting football and appreciate your team spirit, enthusiasm and sportsmanship. *We'd also like to thank the many parents who've been supportive, lining the fields to cheer for their boys.*

Additional thanks go out to the volunteers who are working to make the day a success, from the two dozen alumni officials to the parents and friends who are helping with the refreshments. Thanks to Burkat Gillani from Dunkin' Donuts at Lawrence & Ravenswood, to Adam Hennig & Jim Ray for hot chocolate, to Al Birch and Liberty Service for use of the coffee machine, to Terry O'Malley for the use of the Revere fieldhouse, to George Howe for getting our Turkey Toss prizes and to Bonnie, Jovi, Madeline, Debbie and the NBC Cheerleaders. Have a great day!

PREP COUGARS VS. LOCUSTS

FIELD 1 - 8:30 A.M.

By: Rolando Arquemedo

TEEN FALCONS VS. BEES

FIELD 2 - 8:30 A.M.

By: Jeff Jarvis

This game pits the Cougars against the Locusts. It's promising to be another great Cougar and Locust game. Both teams played hard during the regular season. These two teams have played great against each other. The outcome has been a few tie games.

The Cougars had their ups and downs, but with confidence and determination they still played hard throughout the season. It was only those one-a-game plays that haunted them through the season. The offense looked very good, coming out of the T formation with wide outs. Leading the offense is Q.B. Jason Frumkin. When Jason puts the ball in the air his main receivers are Ryan Raleigh, Chad Wright, and Josh Johnson. The Cougars mainly like to stay on the ground and pound the ball with their running backs, Carl Moore, who is quick and slashing, and Freddy Acevedo. He's big, fast and knows where to run. Protecting Jason are linemen John Chaput, Chuch Ridgeway, John Heitlage, Tim Chambers, and Jimmy Ridgeway. With backups Fernando Cruz, Matt Ray, Jeremy Johnson and Adam Burgos. On the other side of the ball the defensive line is Tim Chambers, Chuck Ridgeway and Joshua Heitlage, doing a good job of pursuing the quarterback. The Cougars are also helped by two dedicated coaches Ken Welsh and Chuck Ridgeway. The Cougars think that their toughest opponents were the Pirates because they're much bigger and aggressive. The Cougars feel that they will win on Thanksgiving Day because, "As a team we have won and lost together. Of the games lost we were one or two plays away, they never gave up trying to make big plays. We have a few guys that never played before. It seems they learn something new every week. We had some letdowns, but these kids showed real heart. So the bottom line is they want it."

The Locusts, who improved tremendously as the season went by, have a very fast running attack. They run their offense out of the pro set formation, and also use a formation with a flanker. Their most successful plays have been sweeps. The Locusts ground game is led by the fastest runner in the league, Ryan "The Jitterbug" Mrozik, Adam Mora, who is a heavyback power fullback, Dan Ward, who squeezes through with QB sneaks. The offensive line, which does a great job letting the RB get a round the end, consists of Keith Hartman, Adam Nelson, and Eddie Dordies. Coach Tom Ward gives the signals to QB Danny Ward. When Danny stays in the pocket to pass, he looks for his brother Kevin Ward, Dan Netzel, and Dominic Erbacci. The Locusts defense possesses hard-hitting and great tackling. They are led by Keith Hartman, Philip Van, and Tim Tyrill. Keith Hartman handles the punts. The Locusts have improved a lot during the season and were very close in winning the 2nd half. The Locusts feel that the Pirates have been their toughest opponent because of #22 Leo Ferreras. The Locusts feel that they will win because, "We have been in every game, and have built up pride in themselves. They know they can win any game as long as they try. No one person is responsible for our success and no one person is at fault for our defeats. We play as a team and stick together, win or lose. Today is our day to show the world who the Locusts are and what they are made of."

Both teams played their heart outs through the season. Even when they're down they kept their spirits up. Good luck to both teams on the final game of the football season.

TEEN FALCONS VS. BEES - continued

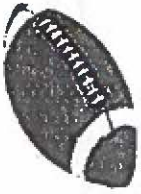

The Falcons are the Teen league champs and clinched that title this past week in a playoff against the Bees. Both teams have been coached well and have played hard all year. The Falcons, as champs, would like nothing better than to close the season out on a high note. The Bees realized they came very close to being in the Falcons' shoes and would like one more shot at them. If you like games with big plays and big hits, this is one game to definitely check out.

This game features a classic matchup of speed versus power. The Falcons and Bees have been two teams that have battled hard against each other all year. The Falcons rely mainly on their quickness and their ability to get to the ball and make the big play in order to win games. The Bees, on the other hand, are the biggest team in the league and rely on the power of their offensive and defensive line in order to make the big play and win ballgames.

The Teen Bees are a team that thrives on their size to help make the big play for them. When their line does it's job efficiently, they are a force to be reckoned with. The Bees like to run their offense out of the Pro-Set formation with an even split between the coaches and the quarterback as to who calls the plays. When the Bees stay on the ground, they favor the straight ahead running style of Roy Akers and Danny Hall and the slashing style of Matt Guidara. The Bees are also a team that likes to attack through the air with quarterback Akers aiming for his two favorite targets, Casey Graves and Gene Alexander. Hall, Akers, Alexander, and Guidara have been responsible for most of the Bees scoring this year. The Bees are anchored on offense by their big line with Arnulfo Ruvalcaba, Matt Lane, Chris Halvorsen, Chris Luna, and Adrian Garcia getting the job done and opening up the holes for the plays to run smoothly. The Bees feel that their strength on offense is their ability to adapt to a given defensive set. The Bees defense has also been a big part of their success this year with the line and secondary forcing turnovers and then capitalizing on them to give their team the edge. The Bees feel that their toughest opponent all year has been the Falcons because they are the only team to beat the Falcons and have been in a struggle with them since day one for the top spot in the standings. They also feel that the Falcons are a well-coached and disciplined team that works well with the talent that they have. The Bees feel that they will win on Thanksgiving because they have practiced and worked hard all year and they feel that they have really come together as a well disciplined football team. The Bees have been coached this year by Doug Halvorsen and Jim Lane who have both done an excellent job in teaching sportsmanship and hard work.

The Falcons come into this game with a high-powered offense that can strike quickly and often. The Falcons like to run their offense out of the "I" formation with the quarterback handling the play-calling duties. The Falcons have found that, throughout the course of the season, their best plays come when they stick to the ground attack, which has provided many long touchdown runs. The Falcons favor the heads-up running of quarterback Jose Cuevas, the power running of Lenny Trojan and Alfredo Allende, and the pure speed of Mauricio Rubschlagler. When the Falcons decide to go to the air, Cuevas aims for favorite targets Rubschlagler, Trojan, and Paul Andersen. As mentioned, the Falcons offense is extremely potent with Allende, Cuevas, Trojan, Rubschlagler, and Ricky Avelar doing most of the scoring. Avelar and Rubschlagler usually handle all punting and kicking duties for the team. The offensive line has been a big part in the Falcons success with Antonio House, John Ozog, and Edwin Rodriguez all doing their part to anchor the line. The Falcons feel that their strength on offense has been their speed in the backfield and having a line that plays hard every down. The Falcon defense has scored almost as many touchdowns this year as the offense thanks to their ability to go for the ball and come up with the turnover and score. Their main strength on defense, they feel, is the fact that they never give up and always play hard. The Falcons feel that the Bees and the Cougars were their toughest opponents this season because both teams were evenly matched against them. The Falcons feel that they will win on Thanksgiving because they have worked hard all year and have a lot of pride in their team and their accomplishments this year. The Falcons are coached by Marty Martinez, who has done a good job of getting the team to play together and to always play hard in every game.

TRIBE PIRATES VS. BOBCATS

FIELD 3 - 8:30 A.M.

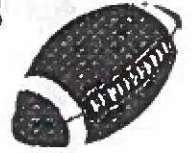

By: *Farco Zanayed*

PREP PIRATES VS. BEES

FIELD 1 - 9:45 A.M.

By: *Arturo Radilla*

This is the biggest game of the day, bar-none. These two teams have had some classic games in the past, including this year in which we witnessed, arguably, the "greatest game in NBC history". Both of these teams match up well against one another, in both size and speed. Last year on Thanksgiving Day, the Bobcats and Pirates tied, making both of them Co-Champions. This year, the Pirates won the crown, but the Bobcats are out for revenge. These two teams met four times this year, with the Pirates winning two of the games, Bobcats winning one, and tying the other. The Bobcats feel that they have the momentum going into the game, by beating the Pirates the last time they met, but the Pirates are out to show the Bobcats why they are the champions.

The Pirate offense has changed in recent years from a speed and quickness attack, to a power running attack led by RB Steve Schulze and outstanding blocking from their offensive line, led by Greg Schulze. The Pirates run their offense out of the "I" formation, with their strengths being runs up the middle. They possess a balanced running attack combining power from Steve Schulze, and speed from Luis Perez and Julio Perez. The Pirates use a variety of plays, but the most successful have been the reverse, the fullback dive, pitch outs, and the timing passes where QB Phil Jensen looks for receivers Luis Perez, Julio Perez, Ben Rodriguez, and Michael Lansu. The Pirates realize that the most important element on offense is the blocking of their linemen who do an excellent job creating holes for their running backs and giving their QB time to pass the ball. They are led by Greg Schulze, Dennis Fairbanks, Oscar Jimenez, Bryan Ruiz, and Robert Wise. Coaches Paul Jensen, Paul Schulze, and Les Wise along with the insights of the players, do the play calling for the team, as they use Steve Schulze & Luis Perez as their main offensive weapons. A large part of the Pirate success has been due to their great play on run defense led by Greg Schulze, Bryan Ruiz, and Oscar Jimenez. Their pass defense is led by Luis Loza, Ben Rodriguez, Stephan Kottra, Matt Tripoli, and Mardo Burgos. Their strength on defense has been their surge to the ball and their pass coverage. The Pirates feel that the Bobcats have been their toughest opponent thus far. They believe that the Bobcats match up perfectly with their team, and, along with the Bobcat size and their feared passing game, along with a great defense make for a great team. The Pirates believe that they will win on Thanksgiving Day because of a total team commitment. "This team realizes that every member of the team plays an important role in the team's outcome. They have practiced hard and never got down on themselves or their teammates for mistakes, but always encourage each other, thinking of the team and not personal glory. They are truly the definition of the word 'team'."

The Bobcats, Co-Champions of last year, possess the most-feared passing game the NBC has witnessed in years. The biggest strength for the Bobcat offense is definitely their strong blocking, accurate passing, and all around good execution. The Bobcats run their offense out of the Double Tight-End, and the infamous "Run & Shoot". QB Richard Diversey, when called upon to pass, looks for a variety of receivers. Wayne Duckmann, Robert Diversey, Tony Arteaga, and Brandon Feamon have been the main receivers for QB Richard Diversey. The Bobcats also possess a powerful running attack, led by Ronald Diversey, who uses his great speed and always gives a second effort, Brian Wright, who combines speed and power, and Arturo Acevedo, who is a great open-field runner. A large part of the Bobcats success comes from the great blocking from their interior linemen led by Justin Letrich, Joey Maas, Joe Netzel, Erik Wicklund, and Sean Hannon. Coaches Andy Letrich and Wayne Duckmann, along with the QB, call all the plays on offense. Their most successful plays have been the counter and slant passes. The Bobcats defense is very aggressive at pursuing the ball, and having hard-hitting tacklers. They are on top of every play. Their run defense is led by the aggressive play of Kevin Fracek, Justin Letrich, and Wayne Duckmann. Their pass defense makes other teams think twice about passing the ball. They are led by Tony Arteaga, Ronald Diversey, and Brian Wright. The Bobcats feel that the Pirates have been their toughest opponents this year. (continued in next column)

The three-peat champion Pirates will face off against the Bees today. This will be a big game for both teams. Even though the Pirates captured the title, they still have business to take care of. The Bees are the only team to beat the Pirates this season. They did an excellent job this season to win the title. The Bees are on a three game winning streak and they want to make it four against the champs.

The consistent Pirate offense is based on speed, power, and confidence. The Pirates run their offense out of the wishbone formation. Running plays have worked excellently for them. The attack is led by Leo Ferreras, who has out-and-out speed, Moses Ramirez, who is an elusive slasher, and Andrew Johnson, who runs with power. The biggest strength for the Pirates offense is the blocking by the fast strong line, who always give the QB enough time. They are Hector Garcia, Frankie Montiel, and Will Locke. When coaches Herb and Dave Hernandez call for a pass, QB Andrew Johnson drops back. Johnson looks for Leo Ferreras and Michael Hernandez. The Pirate defense is a major factor for their 3rd title. They possess hard-hitting fast defense, with a great defensive line led by Hector Garcia, Frankie Montiel, and Alfie Salameda. Francisco Galicia, who won the field goal kicking contest in the Prep League, handles the punts and kickoffs. David Ramirez, Danny Jensen, John Boettjer, Patrick Lundin, Trinidad Castillo, Antonio Dintale, and Michael Gibbs have done a great job for the Pirates. The Pirates feel that the Locusts have been their toughest opponent because they match up against the Pirates well in size and speed. The Pirates feel that "On Turkey Bowl, the Pirates will play to the best of their ability in hopes of a three-peat. We will also have fun as we finish off another exciting season of NBC Football."

The Bees struggled throughout the season. They've lost a few players, they weren't playing to their potential, and they weren't coming out to practice. Late second half they showed up to practice, and they won the last three games, including the Pirates. The Bees finished in 2nd place at the end of the second half. The Bees perform their magic out of the I formation. Leading the way for the offense is QB Sammy Elayan, who is a heavy. When Sammy looks to pass his two main targets are Robert Bastyr and Andrew Gschwind. When the Bees put it on the ground they have two talented running backs: Tim Flaherty with his heads-up running and Dan Delmonte with his lightning speed. Keeping the defense out of their backfield is linemen Kenny Schoenfelt, Mark Fritzsche, Carl Goosinow, and Jon Stegbauer. The Bees defense is led by Carl Goosinow, Adrian Rosado, and Charles Akers. The Bees have been helped by two dedicated coaches Mike Delmote and Robert Bastyr. They didn't give up on the kids when things didn't look good. The Bees believe the toughest opponent of the year was the Pirates, because they are well-coached and disciplined. The Bees believe that they will win on Thanksgiving Day, because they are on a 3 game winning streak. They beat the Pirates once and they can do it again.

Good luck to both teams. Congratulations to the Pirates on an excellent season and on their 3rd championship. The Bees worked very hard in the end and it paid off, as they are hyped up to play the champs.

TRIBE PIRATES VS. BOBCATS - continued

They say that the Pirates have very strong blockers and tough runners. "The Bobcats will win on Thanksgiving Day because we will control the line of scrimmage, and make accurate passes. Our running backs will give second and third efforts. Our defense will pursue every play, making strong tackles. We are proud of our team and their accomplishments. They showed heart and pride. We are Winners!"

FASTEN YOUR SEAT BELTS AND ENJOY THE RIDE as these two teams, packed with talent, face each other in the showdown of showdowns on Thanksgiving Day! Good Luck to both teams!

TRIBE FALCONS VS. BEES

VS. LOCUSTS

FIELD 2 - 9:45 A.M.

By: Rene Duran

The Falcons, Bees, and Locust will play a round robin showdown, in which each team will play a half against each other. This is probably the most difficult type of game format, as it gives teams just one half to put their game plan into effect. Usually teams need more than a half to figure out and derail an opponents game plan. For today, they have to be quick and on top of their game.

The Falcons posted a 2-3 record in both halves, which is very good for a team which has many first year players on it. The Bees had an outstanding first half, making a run at the title, but ran through some tough waters in the second half. The Locusts faced some hard times this season, but they give their opponents a very hard time. They faced every team tough, and didn't give up without a fight.

The Falcons' success has been due to their great passing game, along with their power running. QB Billy Alvarez and Jose Gonzalez look for their main receivers, Edwin Lorenzana and Michael Diaz. Their running game has been successful as well. Joven Salameda and Noel Valenzuela are a powerful duo out of the backfield, combined with the speed of Aaron Brady, Ruben & Sergio Solis, and Daniel Saravia make for a powerful offense explosion. The Falcons have a great offensive line led by Bradon Brummett, Danny Ramirez, Zack Smith, Phillip Franks, and Pablo Jimenez. They have done a great job giving their QB time in the pocket, and creating holes for their runners. The defensive charge of the Falcons is led by the hard-hitting Noel Valenzuela and Johnny Cuevas. Both these players get their defense pumped up and ready to go on every down. Coaches Tony DeLeon and Nick Itayem have done an outstanding job teaching these young players, many of whom are playing football for the first time, as well as they, themselves, being first year coaches. They have made it fun for the kids, while teaching the kids at the same time. This has been an excellent season for the Falcons, taking into account that many are first year players. The Falcons believe that they will win on Thanksgiving Day because of the anticipation of their first Turkey Bowl. They believe that they are out to prove something to the rest of the league for the future.

The Bees are a powerful, well disciplined team, that can beat anyone on any given day. They had a great first half, making a serious run at the first half title, but the second half left a lot to be desired by both the players and coaches. The Bees have been successful by combining the run and pass effectively. The Bees have been most effective on passing plays by using either Erik Miller or Tomo Rodriguez at quarterback. The main receivers for the Bees have been Erik Miller (when Tomo QB's), Tomo Rodriguez (when Erik QB's), Michael Fritzsche, Brian Schreck and Todd Marks. The Bees running attack is led by the quickness of T.J. Olfier, the speed of Kenny Spagnola, the power of Richard Podzada, and the great open field running of Ross Heilbrunn. The Bees offensive success has been, in large part, due to the great interior blocking of their offensive line. They are led by Mike Holland, Greg Vaughn, Nick Duckhorn, Lucien Carter, Jon Otto. The Bees defense is very inspirational. Everyone is pumped by and ready to shut their opponents offense down. They are led by the Lucien Carter, Nick Duckhorn, Michael Fritzsche, and Tony Schreck. The Bees are coached by Brent Weaver & Tony Olfier who have coached the team for five years now. The Bees are undefeated at the Turkey Bowl and believe that they have the will and desire to keep that streak alive.

The Locusts have had their ups and downs this season. They have the talent to match up against anyone in the league, especially at the running back position. They are loaded with great runners that many teams would love to have. Their running attack is led by the powerful John Springsteen, the speedy Angel Bermudez, who also possesses great cutting ability, and Tom Gudella who has great open field running ability.

CADET BEES VS. FALCONS

FIELD 3 - 9:45 A.M.

By: Ricardo Solis

This game features a pair of teams that struggled during the regular season, but proved that they could play hard and never stopped coming to their game and gave it everything they had.

The Bees had a tough first half ending with a 1-5 record tied with the Falcons for third place. The Bees are coached by Julio Sanchez Sr. and the captains are Jon Sievers and Julio Sanchez Jr. The Bees have a better game when they give the ball to one of their runningbacks, Matt Fritzsche or Justin Lantz. Whenever they choose to pass they are confident with Edwin Rodriguez to connect with either Julio Sanchez Jr. or Todd Heilbrunn, their two best receivers. Most of the Bees TD's have been scored by Jeff Otto, a very quick runner, and Edwin Rodriguez, another quick runner who isn't afraid to run with the ball. All of their kickoffs are done by Edwin Rodriguez, and their punts are done by Robert Lilligren. The Bees are helped on the line by Matt Fritzsche, Matt Lilligren, and Sean O'Connell, who do a great job blocking for enough time to let Edwin throw a pass or open up the holes for their running backs. On "D" their strength is using their cornerbacks. The Bees feel that their toughest opponent this season has been the Bobcats, because they have a good defensive line. The Bees feel that they will win on T-Day because of their good running game and because they have worked very hard, and because they want to show everyone how good a team they really are.

The Falcons have also had a tough season but they worked very hard. At the end of the first half they were tied with the Bees for third place with a 1-5 record. The Falcons are coached by Raul Mora and Michael Pratt Sr., and their captains are Johnny Mochel and Danny Mora. The Falcons have a better game when they do "QB" sneaks up the middle. Their main runners are Johnny Mochel and Danny Mora because they are both very quick runners, Joe Miller is a very powerful and quick runner. All of the three running backs can find the holes quickly and are able to gain a decent amount of yards. Their passing is put in Danny Mora's hands and he passes to one of his two receivers, either Johnny Mochel or Joe Miller. For them their most effective player has been Johnny Mochel, scoring all of their TD's. All of their kickoffs are done by Kevin Smith and their punts by Danny Mora.

The Falcons have three very tough linemen Kevin Smith, Pete Miller and A.J. Navarrette; who do a great job blocking and opening holes for the running backs. These three offensive linemen work as hard on "D" as they do on offense. The Falcons strength on offense is the three quick runners they have and on "D" is their linebackers.

They believe that their toughest opponent is the Bobcats because of their tremendous speed. The Falcons feel that they will win on T-Day due to the fact they never gave up and because they always try and give a 100% effort and they will do so on T-Day. Good luck to both teams on T-Day.

TRIBE FALCONS - BEES - LOCUSTS - continued

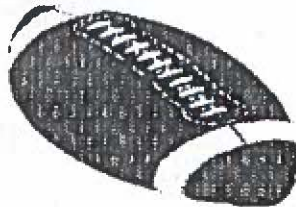

The Locusts use two different quarterbacks when called upon to pass. They are Angel Bermudez and Tony Aguado, who both look for main receivers Tim Ward, Tommy Cantu, Willy Cuevas and Cesar Mejia. The offensive line of the Locusts is led by Nick Simon, Albert Rosado, Victor Montiel, Javier Vences, Fernando Ontanon, Eric Bermudez, and Tim Smith. The defense is led by the emotional Angel Bermudez who plays every down with heart, and always tries to keep his defense alert. Coaches Bernie Aguado, Terry Simon, and Wolf Gudella have worked long and hard this season. The Locusts feel that the round robin format on Thanksgiving Day will be to their advantage since they are known as a team that starts quick. This could keep their opponents playing catchup the rest of the day.

TEEN VIKINGS VS. FALCONS

FIELD 1 - 11:00 A.M.

By: Jeff Jarvis

CADET BOBCATS VS. LOCUSTS

FIELD 3 - 11:00 A.M.

By: Tony Ramirez

This game features a matchup between the Vikings and the Teen league champion Falcons. The Vikings are a team that has played well all season, but has just come up a little bit short. In fact, the Vikings came within a couple of plays of pulling off some upsets during the course of the year. While the Vikings are a team that was not in contention for the championship, they showed a lot of class and character by not giving up and always showing up and playing hard.

The Teen Vikings are a team that relies on a ball control offense. They are at their best when they can control the tempo of the game and set the tone on defense. When on offense, the Vikings like to operate out of the "I" formation. The Vikings rely on their quarterback and their coach to send in the plays. They feel that their best play all year has been the end around. The Vikings rely on the straight-ahead running of Brian Matza and Robert Serrano to help move them down the field. The Vikings also like to attack through the air with quarterback Brian Matza aiming for his two favorite targets, Joe Tibor and Matt Manzano. Matza has been responsible for most of the Viking scoring this year while Juan Garcia handles most of the kicking duties. The Vikings rely on their offensive line to give the protection needed to move the ball with Ryan Howard, Jon Vojinovic, and Chris Matza all doing a fine job on the line. The team also boasts a solid defensive line with Donald Giles helping to stop the opposition. The Vikings believe that their biggest strength on offense is their ability to run the ball effectively. They believe that on defense their hard-hitting style is responsible for their ability to stifle opposing teams. The Vikings feel that their toughest opponents all year were all of the teams because they feel that they played all of them tough and that every game was a tight one. The Vikings believe that they will win on Thanksgiving because they want to show that they always play hard and do not quit. They also feel that they have worked hard all year and have come together as a team as well. The Vikings are coached by Rex Pecoraro, who has done a good job of getting the team to play together and to always play hard no matter what the circumstances.

The reason that the Falcons are playing two games is because they showed what champions are made of by agreeing to play an additional game so the Vikings would have a chance to play on Thanksgiving. This will be a hard-played game on both ends with the Vikings looking to pull off the big victory on Thanksgiving and again, the Falcons trying to end on a high note.

FOOTBALL TROPHY WINNERS

The boys listed below earned championship trophies during the football season. In order to qualify for a trophy a player must have attended at least 75% of his games. Anyone who is not listed, and feels he should be, can stop by the office for an attendance check. The trophies will arrive during the second week of December. You have 30 days to claim yours or lose it.

(continued next column)

The key matchup this year in the Cadet League is between the first place Bobcats and the second place Locusts. Both teams played a tremendous playoff game on Saturday that gave the Bobcats the second half championship rights, which also won them the season championship. The Locusts are looking for this last opportunity to prove to the rest of the league why they are the team playing against the first place Bobcats.

On Thanksgiving the Bobcats are going out to prove why they have been number one right from the start. The Bobcats are lead by the coaching of Ignacio Cruz who has made the Bobcats into what they are now. The Bobcats like to run difficult plays and like to pass which keeps the defense busy. The Bobcats most successful play has been the double reverse. When the Bobcats are passing, David Cruz is the man who decides the Bobcats fate. David Cruz usually looks to Michael Ramirez or Sean Barnes when he's in the pocket. The Bobcat passing game is so effective because of the blocking by Adam Stiles, Samuel Ernest, Jimmy Suriano, and Jesse Fracek. On defense the Bobcats look to Valentino Cuevas and Danny Cantu for their sure flag-grabbing hands. The Bobcats feel that their toughest opponent has been the Locusts. They feel that the Locusts have one of the toughest defenses in the league, but they feel that their offense will make the Locusts defense work extra hard on Thanksgiving.

The Locusts have had much help throughout the entire season with coaches Wolf Gudella, John Sechrest, Edwin Sanchez, and Mike Abuja. On the field they are led by captain Joey Gudella and co-captain Josh Iverson. The Locusts have had much success throughout the season also. They depend on their fast players and their good passing game. Their running game is led by Joey Gudella and Josh Iverson who like to run to the outside. When it comes to their passing game Joey Gudella looks to Edwin Sanchez and Eric Rohde, who he always finds open. Joey is given great time to throw the ball because of the great blocking by Michael Ott, Jonathon Abuja, and Ryan Sechrest. On defense the Locusts look to Michael and Robert Lejman. The Locusts feel that their toughest opponents were the Bobcats because they are one of the fastest teams in the league and they are very well coached. The Locusts feel that they will win on Thanksgiving because it is their year.

Congratulations to both teams who have made it this far and especially the Championship Bobcats. Both teams have played with great enthusiasm and with great sportsmanship throughout the entire season. Both teams have been well coached and have been well prepared throughout the season. Good luck to both teams on Thanksgiving.

THANKS TO OUR FOOTBALL COACHES

1993 TURKEY BOWL RESULTS

One of the most important pieces of a football team is the coaching staff. They are the guiding force, the ones who provide Leadership and Discipline. They are asked to teach, in their coaching and example, the very ideals up on which NBC was founded in 1931 - hard work, discipline, fairness and loyalty. Thanks to this special group the NBC idea continues to work 63 years later.

We should all be grateful for the time and effort of the coaches, doing their best for every single member of the team. The attitude of fair play and sportsmanship is one which should be carried onto the field by every player. As adults we can only hope that the atmosphere we have tried to create at NBC will stay with you once you leave our fields.

We live in a world where disagreements are settled with guns, where problems are solved by using alcohol and drugs, where you strike out first and ask questions later. The coaches, parents and everyone connected with NBC are counting on the kids of today to help end this madness by growing up with a better attitude and perspective. We have tried to set the foundation, but it is up to you to build from there.

Monday - Thursday	3:30 until 8:00 p.m.
Friday	3:30 until 6:00 p.m.
Saturday	8:30 until 6:00 p.m.

Prep Locusts vs. Bees - As this rivalry entered its fourth year the Bees defeated the Locusts 19-0. Most of these boys live within blocks of each other and attend the same school. The Bees won the game 19-0. The scoring started early when T.J. Ollifer fielded the opening kickoff and returned it 80 yards for the TD! The Bees were driving in the 2nd, and it ended with a 5 yard scoring plunge by Nick Duckhorn. Ollifer added the extra point for a 13-0 lead at the half. The only points of the 2nd half came when Tom Rodriguez caught a pass from Ollifer and turned it into an 89 yard TD jaunt! Both teams had a lot of support on the sidelines and we hope to see them all back next year when they move into Tribe. Although stopped again, the Locusts had a solid effort from its players, and were led by Antonio Aguado, Tom Gudella and Tim Ward.

Tribe Falcons vs. Vikings - This game was played for the Tribe championship. The Vikings entered the game as two-time champions and the Falcons as a team hungry for its first title. The Falcons captured the first half, but the Vikings rallied, as champions do, and won the 2nd half to set up the game. The Falcons got on the board in the 1st qtr. when Paul Anderson scored on an 80 yard play. The Vikings scored in the 3rd on a 25 yard run to the left by Scott Nettlein. The Falcons scored the winning TD in the 3rd on a 22 yard run by Freddie Allende. Both teams played a great game.

Prep Pirates vs. Bobcats - This game was a classic. Two teams which have been rivals for the past couple of years lined up to determine the Prep championship. The Pirates entered the game as two-time champions and were looking for a three-peat while the Bobcats were primed for their first football title. The Pirates drew first blood in the opening quarter when Jason Negron picked off a pass and returned it 15 yards into the endzone. Once their defenses took over it looked as if this would be the only score of the contest. In the 4th, however, the Bobcats struck back with a 53 yard TD pass from Brandon Feamon to Robert Diversey. The point after was stopped and the game ended in a tie, making the teams co-champions.

Tribe Bees vs. Locusts - At 9:45 the Tribes started with a three-way contest between the Bees, Locusts and Bobcats. In the opening one half game the Locusts were 12-0 victors. Adam Davis scored in the 1st on a 6 yard run up the middle, and Bill Cline later took a Davis pass 45 yards for the score. The Bees received a strong effort from Dylan Stahl, Roy Akers and Armando Martinez.

Tribe Bees vs. Bobcats - At 10:20 the Bobcats and Bees got together with the Bobcats pulling out a narrow 6-0 win. The only points came in the 1st when Shaun Meza scampered 32 yards into the end zone. The Bobcat defense made the score hold up.

Cadet Bees vs. Locusts - In another classic neighborhood confrontation the Bees stung the Locusts 12-6. The Bees took a 6-0 lead in the 1st quarter on a 53 yard pass from Charles Akers to Tim Flaherty. They added to the lead in the 2nd on a 42 yard pitch to the right as Dan DelMonte found the end zone. The Locust defense toughened up in the second half, holding the Bees scoreless while marching downfield in the 4th to cut the deficit to 12-6. Dan Ward took it in from the 3, but that was the end of the scoring. Both teams did an excellent job.

Cadet Pirates vs. Cougars - This game was played between the two best teams in the league, the defending champion Pirates and the tough Cougars. The Pirates clinched the title in a tremendous playoff game the previous weekend, but the Cougars wanted the last victory. The game was a classic defensive duel until the Pirates broke it open in the 4th. Leo Ferraras scored on a 17 yard run to the right side to make it 6-0. The clincher was scored by Dan Cebollero on a 12 yard run.

Tribe Locusts vs. Bobcats - The day closed out with the Locusts facing the Bobcats in the Tribe finale. Both teams had their struggles during the season. The game was scoreless after a quarter, but the Locusts broke through before the half. Pat Law got outside on the left for a 6 yard TD run. The icing was added to the cake in the 3rd when Bill Cline ran 40 yards for a score. Both teams played hard and can be proud of the season they had.

1994 NBC FOOTBALL ALL-AMERICANS

The players listed below have been honored by their teammates and league coaches as All-Americans. They were selected based upon more than just skill. More important were the qualities of Leadership, Dependability, Commitment and Sportsmanship. An All-American will always give the team his best effort and will set a positive example for his teammates. Congratulations to all of you for your contribution to your team and to the Boys Club.

HELP NEEDED TO START TUTORING PROGRAM

Ed Clement is interested in starting a kids-only computer & tutoring class. He needs help in order to do this. Please let us know if you have computer or tutoring experience and would like to join him. Herb Hernandez and Julie Dakers have offered to help, and this might help us get started. More help is needed, though, for this to be effective.

CHRISTMAS TREE & HAME SALES COMING!

GIRLS BASKETBALL ROUNDUP

The Junior League was off last week because of the Thanksgiving holiday. They will return to the hardwood floor on Wed. Nov. 30th. There were two Senior League games last week.

On Friday the Loonies won again, this time 26-4 over the Panthers. The Loonies got off to a strong start, playing tenacious defense while taking a 12-1 lead. They were able to maintain that edge the rest of the way while improving their record to 2-0. Letisha Arriaga had a big game, pouring in 12 pts. Charlotte Holzinger added 8 pts., Beatriz Lugo 4 pts. and Kelita Cuevas hit a bucket. Also playing hard were Cristel Anderson and Nicole Hoffer. The Panthers gave their best effort, but their shots were not falling in this one. Celena Martinez scored a basket and Jillian Borgert was 2-4 from the line. Others who played well were Jenica Cassanova, Shannon Jamicich, Alicia Ruiz, Sarah Seggeling, Jane Stegbauer, Traci Jeske and Tracey Hirth.

On Monday the Bobcats and Panthers squared off with the Bobcats earning a 15-4 victory. The Panthers got off to a slow start and it made the difference in the game. They trailed 11-0 at the half, but played tough in a second half which saw each team score 4 pts. The Bobcats were led by Sofia Vellego, who pumped in 10 pts. Maribel Medina added 3 pts. and Martha DelRio added a basket. A good defensive job was done by Julie Dakers and Dominique Cantu. Jillian Borgert and Celena Martinez scored the hoops for the Panthers. Others girls who played hard were Tracey Hirth, Traci Jeske, Jane Stegbauer, Sarah Seggeling, Alicia Ruiz, Shannon Jamicich and Melissa Cochran.

As the second half winds down we'd like to remind the girls that, following the playoffs (if any are needed), we'll have an All-Star Night. The league champs will play the All-Stars, followed by a Parent & Daughter game and refreshments. We hope that you'll join us!

BASKETBALL CONTESTS IN DECEMBER

WILL YOU BECOME "MR. BASKETBALL"?

The annual NBC Basketball Free Throw and Achievement Contests will be held while the schools are off for the holidays. Members will toe the charity stripe in the FTC and take 25 shots, aiming for a trophy or ribbon. In the BAC you'll be tested in four skills - free throws, jump shots, lay ups and under-the-basket shots. All members who total 2,000 or more points under the scoring system, which is handicapped by age, earn trophies. The top scorer earns the title of "Mr. Basketball" for a year! Be sure not to miss either of these big events.

BASKETBALL CAPTAINS TO BE CHOSEN

Cadet, Prep and Tribe teams will choose captains at their first pre-season game on Sat. Nov. 26th. Football captains and co-captains are not eligible. The captains will be listed in the next Monkeyshine. They will have their first meeting of the season on Fri. Dec. 2nd at 4:30 p.m.

RULES FOR USING THE REVERE GYM

Park Supervisor Terry O'Malley asks for the cooperation of our members and parents in using the Revere building and facilities. He would appreciate your compliance with the following rules:

1. Only gym shoes are allowed on the gym floor. They must be clean and dry. Try to carry your gym shoes and change downstairs.
2. When walking from NBC to Revere, please use the sidewalk which cuts between the buildings rather than walking through the mud.
3. Players are asked to go over to the park no more than 15 minutes before the start of their game or practice.
4. Everyone is asked to wait in the balcony until the current activity ends, rather than to sit or stand on the stairs, around the lobby or downstairs.
