The NBC Staff & Leaders, our Program Committee, Moms' & Dads' Clubs, Alumni and Board of Directors wish our members and families a **HAPPY THANKSGIVING**. We would also like to commend the coaches and players for the fine job and hard work they've put out since September. We have seen a lot of exciting football and appreciate your team spirit, enthusiasm and sportsmanship. We'd also like to thank the many parents who've been supportive, lining the fields to cheer for their boys.

NBC is very thankful for the continued support of Mrs. Brenda Weigelt, who is sponsoring the Turkey Bowl Classics in the memory of her late husband and longtime NBC friend, Johnnie Weigelt. Mr. Weigelt ran one of the largest catering businesses in the area and helped start the tradition of hot chocolate on Thanksgiving. We thank her for her generous support.

Additional thanks go out to the volunteers who are working to make the day a success, from the two dozen alumni officials to the parents and friends who are helping with the refreshments. Thanks to Burkat Gillani from Dunkin' Donuts at Lawrence & Ravenswood and to Al Birch and the North Cook Co. for use of the coffee machine, to Terry O'Malley for the use of the Revere fieldhouse, to George Howe for getting our Turkey Toss prizes and to Bonnie, Jovi, Olivia and the NBC Cheerleaders. Have a great day!

Prep Locusts vs. Bees

Field 1 - 9:00 a.m. - Title Game

By: Arturo Radilla

Tribe Pirates vs. Locusts

Field 1 - 9:00 a.m. - Title Game

By: Fares Zanayed

This game will be played for the championship between the Bees and Locusts. This will also be the first time in its three years that the Prep league will have the championship decided on The Turkey Bowl. The Pirate reign of three years has ended. The Locusts have turned it around from last year by only losing twice this season, and both losses were to the Bees. The Bees, who were challenging the Pirates for the crown last year, have kept on improving and worked their way up. The Locusts and Bees cruised through the first half. The Bees and Locusts ended dead even and a playoff game was needed. In the playoff game the Bees won it in overtime 7-6. The Locusts then went undefeated in the 2nd half. The Bees, however, struggled with a lot with injuries and finished in 5th place. The Locusts have the best passing team in the league, while the Bees have the best defensive backs in the league.

The Locusts turned it around from last year. Although they have six new players, they have listened and practiced hard with their three new coaches - Wolf Gudella, Jim George & Paul Zweiner. The Locusts are more disciplined. They have the best passing and a great defensive team in the league. They work out of the "I" or "T" formations. Tom Gudella calls out the signals to his team in the huddle. End passes, reverses, and QB sneaks have worked the best for the Locusts. When it comes time to run the ball Rick Serment takes over with his quickness to get to the outside and head downfield, or Gudella takes the snap and explodes downfield. On passing downs Gudella drops back and looks for Chris Thompson or Chad Wright. Kicking off is an easy task for Keith Hartman, who won a share of the field goal kicking contest. The offensive lineman, who are Hartman, Tim Jendry, and Michael Zweiner do a great job to give the quarterback enough time to get the play off. On the other side of the ball the Locusts have a great line that get the quarterback. They are Hartman, Joey George, and Thompson. The biggest strength for the Locusts on defense has been stopping the run. The Locusts feel that the Bees has been their toughest opponent, because the Bees are the only team to have wins against the Locusts. The Locusts feel that they will win Turkey Day, because they are a disciplined team that will strike fear into their opponent.

The Bees have done a great job this year. They did an excellent job to win the first half, but in the second half the Bees struggled and did not do as good. The Bees have a great running game, which likes to work out of three formations: "I", "T", and shotgun. Off tackle and sweeps have worked the best for the Bees. Tony Schreck runs the ball with acceleration and sprints downfield, while Dan Del Monte, who missed being a light by two pounds, has slashing ability. On passing down Sammy Elayan has his eyes wide open for Andrew Gschwind, Tim Flaherty, or Pat Walsh. The Bees like to give everybody a chance at a position, this is why everybody has tried a kickoff. Elayan handles the punts. John Stegbauer, Dan Jenkins, and Anthony Perea are the big lineman who stop the defense. Sacking the quarterback and chasing the QB out of the pocket is a fun job for Matt Henneman, Ken Schoenfelt, and Jenkins. The Bees strength on defense is the safeties who protect the pass. This is one reason the Bees have been successful against the Locusts who pass a lot. The Bees feel that the Locusts was their toughest opponent, because they are well coached, and the Locusts are "big guys." The Bees feel that they will be the champs because they are committed to having fun and winning. They possess a strong defense and a talented offense. They were runners up last year and they want it all this year. They are coached by Mike Del Monte and Adam Taylor.

The series between these two teams is tied at 2-2. This will be a great and exciting game today to watch. Both teams have worked hard throughout this season and want the championship. A Tom Gudella hook up to Chris Thompson, or an interception runback by Sam Elayan or Tony Schreck, could be the deciding play. Good luck to both teams and may the best team win and be rightfully called the 1995 Prep Champions.

The game to watch on this Thanksgiving Day is the Tribe Championship between two teams who have the best offenses witnessed in recent years. The first half champs, Pirates, feature the most feared running game in the league, utilizing both speed and power. The Locusts, playing for their first football championship, feature a deadly passing attack. Both teams match up well against each other, making this game the most talked about game of the day and the most exciting. The Pirates won the first half by going undefeated, but the second half belonged to the Locusts, who gave the Pirates their first loss of the year and gave them the momentum of winning the second half title. The Pirates are the defending champions, while the Locusts are playing in their first football championship. Could the experience of being the defending champions help the Pirates? Or, will the new-look Locusts defeat the odds and win their first title? Don't you dare miss a snap as this game promises to be a thriller.

The Pirates offense possesses the most feared running attack in the league, led by the lightning quick Luis Perez and the power running of Steve Schulze. The Pirates run their offense out of two formations, the "I" and the Pro Set. The most successful running plays came on slant routes to Luis and full back dives to Steve, led by the outstanding blocking of the offensive line led by Oscar Jimenez, Greg Schulze, Dennis Fairbanks, and Robert Wise. These linemen create the holes for their runners and provide QB Phil Jensen enough time to look for his main receivers when a pass play is called upon by the coaches. Phil's main receivers are Edwin "one-handed" Lorenzana, Luis Loza, and Julio Perez. But, as you know, defense wins games and the Pirates defense led by Greg Schulze is probably the best defense that N.B.C. has seen in years. They stop the run and the pass effectively and contain the ends as well as anyone. Coaches Paul Jensen, Paul Schulze, and Les Wise have done an outstanding job over the years with this Pirates team. The players are not only great athletes, but they are some of the smartest players around. The Pirates feel that the Bobcats have been their toughest opponents thus far, due to the great rivalry that both teams have had against one another over the past six years. Paul Jensen says, "The Pirates are the definition of the word team. They never underestimate the importance of blocking in foot-ball, knowing that without great blocking, the team wouldn't have the great statistics that it has. The Pirates prefer to do their talking on the field, instead of trash talking and gloating which is common in professional sports today. The Pirate players, coaches, and parents would like to thank N.B.C. for giving them the opportunity to run onto the field as the defending champions one more time and play like one of the greatest teams in N.B.C. history."

The Locusts have been the surprise of the season, going undefeated in the second half and giving the Pirates their first loss of the season. This "new-look" Locusts team is loaded with talent and has the desire to win it all. The Locusts run their offense out of the Pro Set formation, utilizing both the run and the pass effectively. The running game is led by the slashing ability of Erik Miller, the speed of Tony Arteaga and the power of John Springsteen & Jesus Feliciano. The offensive line of the Locusts, led by Bryan Ruiz, Albert Rosado, and Carlos Serment have done an outstanding job this season of creating holes for their backs and giving QB Erik Miller time to look for his main receivers Tommy Cantu, Tony Aguado, Matt Wood and Tim Ward. The Locusts passing game is probably the most feared in the league, especially when receiver Tommy Cantu breaks his coverage and QB Erik Miller eyes him on a past pattern. Coach Bernie Aguado has high hopes going into the showdown on Thanksgiving Day because of the way his defense has been playing as of late. The Locusts have a determined defense led by Richie Bermudez, Angel Bermudez, Nick Simon, William Serment, and Michael Bertolani. The Locusts feel that their pass rush is one of the most lethal pass rushes in the league. The Locusts feel that the Pirates have been the toughest team that they have faced because of the well balanced running game that they possess. "The Locusts will win at the Turkey Bowl because of the right combination of players on the field. We have strong horses and an outstanding attitude. We have come this far and we're not going to let anybody stop us from winning the championship."

Two teams will be going into the game with the determination to win, but only one can come out as the 1995 Tribe Champions. Will it be the running game that brings another title to the Pirates camp or will it be the passing game of the Locusts that prevails and gives them their first football title? This game is guaranteed to provide all the excitement that a football looks for. Good Luck to both teams at the Turkey Bowl!

Cadet Bobcats vs. Falcons

Field 3 - 9:00 a.m.

By: Tony Ramirez

This year's key matchup will be the Cadet Bobcats and the Cadet Falcons. Both teams have had an excellent year overall. The Bobcats have finished the year as Champions, but the Falcons still have something to show the Bobcats.

The Bobcats have had a great year as they haven't lost a game yet. The Bobcats are led by coach Ignacio Cruz. He relies on Captain David Cruz and Co-Captain Sean Barnes to make sure his team is out for games and practices. The key to their success has been because they come out to practice and because they all get along. David Cruz leads the team on offense from his Q.B. spot. They have a dangerous passing game. When David looks he can see either Adam Stiles, Danny Cantu, or Michael Ramirez. Lately his favorite connection has been Adam Stiles. The Bobcats rack up most of their points from David Cruz, Danny Cantu, and Adam Stiles. A key to this offense has been their offensive line. The line is led by brothers Joe and Pete Miller and our favorite actor Jaime "I'm Hurt" Muikerrins. They get assistance from Justin Pruento and Sam Ernest. On defense the Bobcats have also done an excellent job. Their main guys are their small guys. This allows them to be quick and powerful. Sean Barnes heads the ends. Ceaser Perez and Sam Ernest can appear anywhere at anytime. Their main guy that comes through when they need it most is Jonathen Wesley. The Bobcats toughest opponent has been the Falcons. The Falcons are one of the toughest defenses out there, comment the Bobcats.

The Falcons have been one of the most improved teams in the league. They are head by rookie coaches Marty Popielewski and Ned Thoma. Both coaches have done a great job taking turns being out to the games and making these guys work hard. On the field inspiration comes from their Captain John Mochel and Co-Captain Chris Alicea. On offense the Falcons are very powerful. They have three explosive runners, who all have their own style of running. Alex Popielewski is relied upon when it comes time for the straight ahead runs. John Mochel is quick and diverse and always seems to find a hole. Jose Torres handles most of their sweeps. His quick feet allow him to get to the end like no one else. The Falcons have also been working on their passing game. Alex Popielewski handles the passing game while Triandus Tabb and Chris Alicea worry about catching the ball and scoring the points. The Falcons backfield depends on their big line to lead the way. Stepping up has been Jaime Mendoza, Edgar Estrada, and Luis Babb. On defense the Falcons have been able to handle almost anything that comes their way. Derrick Dominguez has been one of their main factors. Kyle Kristak is their big man on the line. Kevin Smith also lays a helping hand in the line. When it comes to stopping the pass the Falcons depend on Joe Cihak and Mike Pratt. These two guys are the ones the Falcons depend on to save them from allowing T.D.s on defense. The one Falcon that can be found almost anywhere on the field is Robert Lilligren. Robert has done a great job of being involved in collisions and still coming out grabbing a flag.

This Turkey Bowl game is sure to bring excitement just like all the other games have brought. Both teams have had a great year and I know that both teams will play with 110% effort and 110% good sportsmanship. Good Luck to both teams, and remember that it doesn't matter the outcome of the game its how hard you play.

Prep Cougars vs. Pirates

vs. Falcons

Field 1 - 10:30 a.m.

By: Ricardo Solls

The Cougars, Pirates, and Falcons will face each other in a round robin. This is probably the hardest way to play a football game. You have to play your hardest because you only get one half to beat the other team.

The Cougars are coached by Brian Raleigh, Howard Heath, and Jerry Johnson. Their captains are Jason Frumkin and Ryan Raleigh. They like starting their plays from the shotgun or using their split backs, who are Joshua Johnson, who uses speed to get through the hole, and John Chaput, who is mostly a power runner and is used for blocking for Joshua. They have confidence in Charles Ridgeway, Kirk Sandberg, and Cameron Borders to do the blocking for their "QB" Jason Frumkin, while he looks to pass to one of his three receivers Ryan Raleigh, Lazaro Flores, or Jimmy Ridgeway. They do real well when they run their plays off their guards or off their tackles, using their half back. Whenever they are sure that they will not get a first down they look for Fernando Cruz to boot the ball down field. Most of their kick offs are done by Jason Frumkin. On defense they rely on Daniel Alfaro, Pat Selgrat, and Armando Heath to stop the runs, or get to the "QB" for a sack. Most of their TD's have been scored by either Ryan Raleigh, Joshua Johnson, Jason Frumkin, or John Chaput. Their strength on offense is that they can run many different types of plays. And on defense they can read the offense and stop their plays. Their toughest opponent has been the Locusts because of their big players, and they are also well disciplined. The Cougars believe that they will win on T-Day because they have been practicing a lot and because they can play hard if all their players give it their all on that day.

The Pirates are coached by Larry Cariato and David Katzin. They were NBC members as kids and have returned to help today's members. Their captains are Steve Kottra and Francisco Galicia. They like doing their plays out of the "T"-formation with very little shotguns. The plays that have been more successful on offense has been running plays up the middle, using Hector Garcia, Antonio Dintale, and David Ramirez, to block either for Andrew Johnson while he is looking for Steve Kottra or Francisco Galicia to pass to, or for, Adam Dehne or Danny Jensen to run a play up the middle. Most of their TD's have been scored by Andrew Johnson or by Adam Dehne. On defense they rely on Andrew Johnson, Trinidad Castillo, and Ervin Rosario to stop the run, or block a pass. Their kickoffs and punts are left to Francisco Galicia, he has a strong leg that is capable of kicking the ball for 30 yards or more every time. Their strength on offense has been their running game mostly done in between their tackles. On defense their strength is being wherever the ball ends up, and having been taught how to make great tackles. Their toughest opponent has been the Locusts, because of the size of their "QB", who is very quick in both passing the ball and scrambling to run with it. The Pirates believe that they will win on T-Day because they have a tough team that can easily handle any kind of weather especially the cold, and because they can run the ball up and down the field against any opposition.

The Falcons are coached by Patrick Van, another former member. Their captains are Phillip Van and Larry Burley. This team likes doing a lot of sweeps and screens using either Ryan Mrozik who is a finnese runner, or Michael Gibbs who is their power runner who powers his way up the line. On offense they have Phillip Van, Ricardo Roman, and Eddie Dordles. Doing all the blocking for Ricky Burnett. He looks for either Tony & Robbie Cantu or Ulises Trujillo to pass to and usually makes his passes accurate. Their kickoffs are done by Ulises Trujillo, and punts by Eddie Dordles. Their defensive line is made up of some very talented and feared players Phillip Van, Ricardo Roman, and Eddie Dordles who, most of the time, get the runner before they get to the line of scrimmage. The Falcons strength on offense has been the sweep and the blocking done downfield. On defense their strength is their run defense and corner blitz, which is very effective. Their toughest opponent has been the Locusts because they always seem to find a hole in their defense and exploit it.

Good luck to all three teams in the Turkey Bowl, I think that this will really be a very interesting round robin.

Tribe Bees vs. Vikings

vs. Bobcats

Field 2 - 10:30 a.m.

By: Rene Duran

Cadet Locusts vs. Bees

Field 3 - 10:30 a.m.

By: Rolando Argumedo

The Vikings, Bees, and Bobcats will play a round robin showdown, in which each team will play a half against each other. This is probably the most difficult type of game format, as it gives teams just one half to put their game plan into effect. Usually teams need more than to figure out and derail an opponents game plan.

The Vikings posted a 2-4 record in both halves, and played competitive the whole season. The Bees posted a 3-3 record in the first half and a 4-2 record in the second half. The Bees fought for the second half title, but fell short to the Locusts. The Bobcats posted a 3-2 record with a tie for the first half and went through injuries in the second half, which caused a fall out of the race with a 1-4 record in the second half.

The Vikings' success has been due to their excellent passing game and stable running game. Pat Jentsch, Vikings' quarter back, looks for his main receivers Brian Matza, Sergio Solis, and Chris Matza. Their running game has been successful as well. Brian Matza, Ruben Solis and Carlos Mendoza are usually the ball carriers for the Vikings. They have had great success running out of the "I" formation. Making the offense succeed is due to their great line led by Steve Babb, Juan Garcia, Ezra Guevara, Jonthan Vojinovic, and David Nunez. These five guys have been contributing to the team with their key blocks. Vikings' defense has kept them in the game by being excellent in containing the ends and with their big hitter Steve Babb, John Ozog and Juan Monroy. The Vikings have been coached by Marty Martinez, who has helped the team dramatically since starting with them three days before the season began.

The Bees have been a well disciplined team that has just fallen short in both halves from first place. The Bees had a close second half with the Locust for a first place battle, but then again fell short. The Bees have had success with both their passing and running game. They also have a tough offensive line to get through, composed of Michael Holland, Martin Mahoney, Greg Vaughn, and Nick Duckhorn. The Bees have four good receivers. Dru Alejadro, Vincent Joyce, Todd Marks, and Richard Podsada. These receivers have been able to catch almost everything that their quarterback, Tomo Rodriguez throws to them. The Bees' have running strength as well. Lucien Carter has added power to their running game by keeping his legs moving and striving for every inch that he can get. In the other hand they have good speed on board with T.J. Oliner and Tomo Rodriguez. The Bees' are not just an offensive team, they too, have a defense that could compete with any offense that you put them with. Bees' have a good pass coverage and a good defensive line led by Arnulfo Ruvalcaba, Adrian Garcia, William Maldonado. Brent Weaver, Tony Oliner, and Gene Vaughn have done a well job in leading this team to success. These coaches have been close to carrying this team to the championship.

The Bobcats were the 1994 Pirates' greatest and most challenging team. This year the Bobcats came close in being the first half champions. The Bobcats have been lead by their two coaches Wayne Duckmann and Andy Letrich. The Bobcats have a very productive team. Their offense is composed of three strong and fast running backs. The Bobcats running game has had their success with Ronald Diversey, Brandon Feaman, Keith Wesley, and Noel Valenzuela as they follow their monsterst lead blocker Sean Hannon. The main receivers that "QB" Brandon Feaman or "QB" Ronald Diversey look for are Richard & Robert Diversey and Wayne Duckmann. A fierce offensive line composed of Bill Pekoc, Justin Letrich, Wayne Duckmann, Joey Maas, and Michael Selgrat. The Bobcats have very talented players that have been a threat to every team that they have faced. The Bobcats defense is a tough defense to get through. They have a very strong defensive line lead by their hard hitters Kevin Fracek, Juan Alfaro, Joey Mass, Justin Letrich, and Wayne Duckmann. Despite their second half record, which was also due to injuries, the Bobcats look forward to facing both teams. A key injury to Woody Frost and the loss of Joe Netzel (non-football related surgery to his hip) didn't help the Bobcats in their quest for a title. Bobcats would have to win to bring back that winning spirit back to their team and to show the league that they are a aggressive winning team.

CONGRATULATIONS!

We are proud to announce that one of our former members, Kevin Schoenfelt of the Bees, led the Lane Tech sophomore team to the City Championship last weekend! Kevin recorded two sacks and 8 tackles. Give that kid a game ball!!

This game pits the Locusts against the Bees. It's promising to be another barn burner. Both teams played hard during the regular season. These two teams played great against each other. The Locusts have come out on top 4 out of 5 meetings with one tie.

The Locusts have had their ups and downs, but with confidence and determination they still played hard throughout the season. It was those one-a-game plays that haunted them throughout the season. The offense looked very good, coming out of the I formation. Leading the offense is "QB" Joey Gudella. When Joey puts the ball in the air his main receivers are Josh Iverson and Rafael Blanco. The Locusts mainly like to stay on the ground and pound the ball with their running backs, Joey Gudella and Rafael Blanco. Both runners are explosive, quick, and knows where to run. Protecting Joey are linemen Galen Fletcher, Mike Ott, Jon Abuja, and Michael Aguilar. On defense doing a good job of pursuing the quarterback are Dino George, Karl Fabiankouits, Eric Rhode, Anthony Imburgia, Tomy Alba, and Randall Brown. The most successful plays for the Locusts have been the sweeps to either side. The center of the Locusts offense is based up on hard running. The strength of their defense is getting to the flags quickly. The Locusts have been coached this year by Wolf Gudella and Jim George who have done an excellent job in teaching sportsmanship and hard work.

The Bees, who improved tremendously as the season went by, have a very fast running attack. They run their offense with one running back. The Bees ground game is led by Alex Quiroz and Eric Izquierdo. Both runners are quick and slashing. Leading the Bees on offense is QB Sean O'Connell. When Sean stays in the pocket to pass, he looks for Michael Samano, Steven Izquierdo, and Todd Heilbrunn. The offensive line, which does a good job letting the "RB" get around the end, consists of Jon Sievers, Mike Davis, and Chad Oliff. The Bees defense of hard-hitters is led by Matthew Shiroma, Julio Sanchez, and Vincent Mazzeffi. On offense the most successful plays for the Bees have been the sweeps to either side. This is ironic because this is also the Locusts most successful play. This will be a true test for the defensive ends. The core of the Bees offense is their running game. The strength of their defense is the five man rush. The Bees feel their toughest opponent were all three teams because this was the first year playing for most of their team. In the last few weeks the Bees had trouble getting their players to show up. Hopefully, the Bees could get it together before the Turkey Bowl. The Bees are coached by Tommy Davis, Paul Samano and Julio Sanchez, who have done a good job of getting the team to play together and to always play hard in every game.

Both teams played their hearts out throughout the season. *Even when they were down they kept their spirits up.* Good luck to both teams on the final game of the football season.

1994 TURKEY BOWL RESULTS

Prep Cougars vs. Locusts - These teams have had a strong rivalry for three years now. The teams tied almost every time they met this season, and their last tie prevented the Locusts from a shot at the title. On this day, though, the Locusts reigned. Ryan Mrozik had a big day with three touchdowns on runs of 30, 18 and 10 yards. Keith Hartman closed it out in the 4th when he stripped the ball and raced 46 yards into the end zone. The Cougars gave a strong performance, led by the efforts of Freddie Acevedo, Tim Chambers and Chad Wright.

Teen Falcons vs. Bees - The champion Falcons faced their arch-rival, the Bees, in a Turkey Bowl Classic. The Bees got on the board in the 2nd when Roy Akers plunged into the end zone on a 33 yard QB sneak. He added the point after and it was 7-0 at the half. The Falcons pulled to within a point in the 3rd when Jose Cuevas hit Mauricio Rubschlagger on a 30 yard TD strike. The game winner came in the 4th on a 38 yard run to the left by Freddie Allende. Arnulfo Ruvalcaba and Chris Luna led the Bee defense.

Tribe Pirates vs. Bobcats - These two teams have a history of great football battles. After tying for the title last year, the Pirates took it unopposed this time around. In their last regular season meeting the Bobcats were 12-0 winners, handing the champs their only shutout. The Pirates returned the favor on Thanksgiving with a 12-0 win. All of the damage was done in the 2nd quarter. Steve Schulze electrified the sidelines as he sprinted up the middle for a 66 yard TD. Phil Jensen plunged in from the one before the half. The rest of the game was controlled by the defenses. Greg Schulze and Dennis Fairbanks led the Pirate "D", while Joey Maas, Tony Arteaga and Joe Netzel played hard for the Bobcats. Will we have a rematch in 1995?

Prep Bees vs. Pirates - The Pirates earned their 3rd straight championship this year, but the Bees derailed their train in the second half by handing them their only loss. In fact, the Pirates have only lost twice in 3 years. It was only natural, then, for these teams to end the year together. Well, this game was certainly no disappointment as the Pirates were 14-7 victors. The Pirates broke the ice before the half when Leo Ferreras raced 14 yards around the left side. Andrew Johnson added the extra point. It looked like the game was wrapped up after Johnson scored on a 10 yard sprint in the 3rd. Ferreras added the extra point for a 14-0 lead. The Bees stung the Pirates in the 4th, however, when QB Sam Elayan swept 19 yards into the end zone. Robert Bastyr added the extra point to tighten it up, but the Pirates held.

Tribe Locusts vs. Falcons - In the first of our round-robin half-game Tribe contests the Locusts were 12-0 winners. The team did not win, nor did they score much, during the regular season. Angel Bermudez scored on a 4 yard keeper. Later, Nick Simon picked up a fumble and ran 30 yards for the score. Dan Saravia and Pablo Jimenez played hard for the Falcons.

Tribe Bees vs. Falcons - The Bees, former champions, maintained their undefeated Turkey Bowl record with a 13-0 win over the Falcons. All of their points came in the second. TJ Olifer raced 21 yards around the right side to get things started. A short time later, Erik Miller capped a drive with an 8 yard QB sneak. Tom Rodriguez added the extra point. The Falcons gave a strong effort and had a great season. They were led by Edwin Lorenzana, Johnny Cuevas and Jose Gonzalez.

Tribe Bees vs. Locusts - The Bees also won their second half-game and have not lost a Thanksgiving Day game for 5 years! The Locusts played them tough, though. These teams live in the same neighborhood and many of them go to Bell, so this is a very big rivalry. The Bees won it 6-0 when Tom Rodriguez fielded a punt and took it all the way back. Mike Holland and Rich Podzada played well for the Bees, while Tim Smith, Cesar Mejia, John Springsteen and Victor Montiel played hard for the Locusts.

Cadet Falcons vs. Bees - The Falcons and Bees have battled very hard all season and their rivalry has built up the last two months. On this day we were surprised to see the Falcons soar past the Bees by a final of 25-6. This game was much closer than the score, though.

continued from first column

The Falcons scored in the first on a one yard run by Kevin Smith. The Bees tied it up in the 3rd when Edwin Rodriguez passed to Todd Heilbrunn. Then the roof caved in on the Bees. The Falcons scored 19 pts. in the 4th quarter! Dan Mora scored on a 33 yard run to the right. Joe Miller then scored on a 32 yard run. Smith added the extra point. Mora closed it out with a 57 yard run. The Bees played hard and had a solid effort from Jeff Otto, Sean O'Connell and Robert Lilligen.

Teen Falcons vs. Vikings - The champs showed a lot of class this turkey day by sticking around to play the Vikings. After the Cougars folded it looked like the Viks might be the odd team out in their final Turkey Bowl. The Falcons showed why they deserved to be champions by sticking around until 11:00 so that the Vikings could play in their last Turkey Bowl game. We'd like to thank the team and Coach Marty Martinez for demonstrating the spirit of NBC. In the game the teams played hard, but the Falcons were 12-0 winners. Jose Cuevas tossed a pair of TD passes, one in the 2nd and one in the 4th. The first was a 25 yarder to Mauricio Rubschlagger, and the other a 65 yard bomb to Ricky Avelar. Leading the Viking effort were Joe Tibor, Ryan Howard and Robert Serrano.

Cadet Bobcats vs. Locusts - The Bobcats won the league title this year, but the Locusts were always just a step behind. In fact, the teams tied for the second half title, but the Bobcats won the playoff game to clinch the title. Both teams played like champions in this one which saw the Bobcats come out on top 20-12. The Bobcats led 12-0 at the half. Michael Ramirez scored in the 1st on a 3 yard run, and Samuel Ernest added the extra point. David Cruz then scored on a short run and added the extra point. In the 3rd the Bobcats poured it on as Cruz hit Daniel Cantu on a 42 yard TD pass play. The Locusts are a tough team and fought back with two 4th quarter scores. Joe Gudella snuck into the end zone on short runs of 6 and 2 yards to close out a great comeback effort. Also playing hard for the Locusts were Mike Ott, Jon Abuja and Eric Rohde.

THANKS TO OUR FOOTBALL COACHES

One of the most important pieces of a football team is the coaching staff. They are the guiding force, the ones who provide Leadership and Discipline. They are asked to teach, in their coaching and example, the very ideals upon which NBC was founded in 1931 - hard work, discipline, fairness and loyalty. Thanks to this special group the NBC idea continues to work 64 years later.

We should all be grateful for the time and effort of the coaches, doing their best for every single member of the team. The attitude of fair play and sportsmanship is one which should be carried onto the field by every player. As adults we can only hope that the atmosphere we have tried to create at NBC will stay with them once they leave our fields.

We live in a world where disagreements are settled with guns, where problems are solved by using alcohol and drugs, where you strike out first and ask questions later and everything that happens to us is someone else's fault. The coaches, parents and everyone connected with NBC are counting on the kids of today to help end this craziness by growing up with a better attitude and perspective. We have tried to set the foundation, but it is up to you to build from there.

THANKS FOR YOUR HELP!

Many parents and friends gave a great effort this year on the NBC Haunted House. Because of their dedication and love of NBC, they spent countless hours putting this tremendous event together, as well as taking it apart. It is because of these people, as well as the many ghosts and refreshment people, that NBC netted over \$30,000 for the children!! This was an amazing accomplishment and one which is very important at this time. If more parents and friends would get involved in these events, it would not be such a struggle.

We'd like to thank our set up crew, many of whom spent three weeks straight building the best haunted house around. Thanks to Bill & Jason Grayson, Jean & Paul Goerner, Juanita & Ted Loosevelt, Lenny Schoenfelt, Pam, Bob & Scott Schneider, Mike Wright, John Olzewski, Rolando Argumedeo, Brent Weaver, Tom Borgert, Lewis Shapiro, Chris Barszcz, Bill Winters, Gil Ruiz, Joe Romasanta, Nicole & Paul Goerner, Dave & Jerry Ottesen, Grace Frumkin & Ken Welsh, Jose Mendoza, Mike Gschwind, Tom VanDenBosch and others whose names we missed. Note that only 7 of these people have children playing at NBC!

We'd also like to thank the people who have helped on the breakdown, including Dick Geschrey, Peter Katner, Ron Most, Jim & Vince McGuire, Dave Ottesen, Tom Boeltjer, Mike Wright, Brent Weaver, Rolando Argumedeo, Lenny Schoenfelt, Phyllis & Bob Hamilton, Wolf Gudella, Paul Goerner Jr., Ted Loosevelt and Jean & Paul Goerner. Note that only 4 of these people have children playing at NBC!

GIRLS ON THANKSGIVING BREAK

The Junior and Senior girls are on break for Thanksgiving and will return to action on Monday. We had a couple of good games last week. With just a few games left in the season, *it won't be long until we reach All-Star Night.*

Last Friday in Junior action the Panthers raised their record to 1-1 with a 12-4 victory over Taz. The Panthers built an 8-2 lead at the half thanks to 6 pts. from Tessa Rodriguez. In the second half the Taz defense tightened up, holding the Panthers to just 4 pts. The Panther defense was equally as strong, though, limiting Taz to a single bucket. Rodriguez led the Panthers with 10 pts. and Rachel Amedeo added a hoop. *Others who did well were Katie Curtis, Nina Kanoon, Frances Jarrette, Angela Chavez, Nicole Rivera, Heather Hjeim and Tanya Martinez.* Crystal Kusnierz scored a pair of baskets for the Taz, who played hard as always. It has been a frustrating season for the team, but they never quit and have improved with each game. Their effort might not pay off in wins this season, but it will in the future. Also doing their best were Candice Werstein, Sarah VanDenBosch, Danielle Feaman, Jennifer Werstein and Amy Rottman.

On Monday the Eels and Panthers met. The Eels narrowly won the first half and the teams are still neck and neck. The last time they met, the Panthers were the victors. This time around, the Eels had something to prove. Both teams played an intense game and the offenses struggled. At the half it was 7-3 Eels. In the second half the teams matched each other with 5 points in a 12-8 final. It was the first loss of the half for the Panthers, and the teams are tied for first place at 2-1. The Eels were led by Jennifer Alicea with 4 pts., Pamela Hansen and Brandy Scott with 3 apiece and Amanda Hernandez with a bucket. *Leading the defense were Jeanne Brown, Yami Crespo and Claudia Garcia.* The Panthers were led by Stephanie Maieritsch with 5 pts., including a trey. Jane Stegbauer added a basket and Amber Harris-Gibson a free throw. *Also giving a strong effort were Sarah Seggeling, Jackie Kanoon, Athena Smiros and Celena Martinez.* If each team wins its last game, they could tie for first place. This would force a playoff game for the second half title. The Vikings certainly have a chance to play the role of the spoiler!

Good luck to all of the girls and coaches with these final games. All-Star Night will follow the season with the champs facing the All-Stars and the Parents playing the Daughters! *You won't want to miss the fun, so sign up to play today.*

SHIRTS & NUMBERS ARE ON SALE

Basketball players will need an NBC team shirt with ironed on number for each game. Shirts must be worn starting with the first pre-season game on Nov. 25th, and numbers must be in place by Sat. Dec. 2nd. Shirts are sold at practices and through your League Director (Cadets - Tony, Preps - Arturo, Tribes - Ricardo). They cost \$5.00 and the numbers are .50 each. It is a good idea to have two shirts available.

BASKETBALL CAPTAINS TO BE CHOSEN

Cadet, Prep and Tribe teams will choose captains at their first pre-season game on Sat. Nov. 25th. Football captains and co-captains are not eligible. The captains will be listed in the next Monkeyshine. They will have their first meeting on Mon. Nov. 27th at 4:30 p.m.

REVERE PARK NEWS

Paul Revere Park is altering the After School Program to help serve the community better. The program still runs five days a week from 2:30 until 5:30 p.m., but now we are offering a set schedule from day to day. There is still homework time, but the events for each day are as follows:

Mondays & Wednesdays	Fun & Games / Drama
Tuesdays & Thursdays	Gymnastics / Artcraft
Fridays	NBC Gameroom / Movie Day

If you have any questions, or would like to sign up for the program, come to the park or call 742-7594 and ask to speak to Rob. Also, ask about the Moms & Tots and Pre-School programs that Revere Park offers.

BASKETBALL COACHES TO MEET

As we get closer to the start of the season we are still looking for some volunteer adults who'd like to work with a boys basketball team. Coaching involves being at the games to provide positive direction and organization, and setting up team practices on the side.

Once a coach has attended a pre-season rule meeting, she/he will be able to work with the team and be in the gym during games. Although as many as three coaches may volunteer, only one may be in the gym at a time. An introductory meeting for new coaches will be held on Sat. Nov. 25th at 2:30 p.m. A rule meeting for all coaches will be held on Tues. Nov. 28th at 7:15 p.m. If you cannot make that meeting, it will be repeated on Thurs. Nov. 30th at 7:15 p.m. Here is a current list of the volunteers as of Nov. 20th:

RULES FOR USING THE REVERE GYM

Park Supervisor Terry O'Malley asks for the cooperation of our members and parents in using the Revere building and facilities. He would appreciate your compliance with the following rules:

1. Only gym shoes are allowed on the gym floor. They must be clean and dry. Try to carry your gym shoes and change downstairs.
2. When walking from NBC to Revere, please use the sidewalk which cuts between the buildings instead of walking through the mud.
3. Players are asked not go over to the park more than 15 minutes before the start of their game or practice.
4. Everyone is asked to wait in the balcony until the current activity ends, rather than to sit or stand on the stairs, around the lobby or downstairs.
5. All of your belongings are to be kept in a locker downstairs, or by your parent or friend in the balcony. Coats, caps, clothing, etc. are not allowed in the gym or gym lobby. It is a good idea to bring a lock as NBC and Revere will not be responsible for lost or stolen items.
6. Food, pop, candy, gum, etc. are not allowed in the gym or balcony. Noise in the balcony must be kept to a minimum. Spectators who are negative toward the officials or any team will be asked to leave.
7. Misbehavior will not be tolerated in the Fieldhouse. The park staff can have you leave the building and miss your activity if you get out of hand.

BASKETBALL CONTESTS IN DECEMBER

WILL YOU BECOME "MR. BASKETBALL"?

The annual NBC Basketball Free Throw and Achievement Contests will be held while the schools are off for the holidays. Members will toe the charity stripe in the FTC and take 25 shots, aiming for a trophy or ribbon. In the BAC you'll be tested in four skills: free throws, jump shots, lay ups and under-the-basket shots. All members who total 2,000 or more points under the scoring system, which is handicapped by age, earn trophies. The top scorer earns the title of "Mr. Basketball" for a year! Be sure not to miss either of these big events.

'96 AD FORM ATTACHED...

for the 1996 NBC Community Directory, and we are asking every parent to get at least one ad for this major fundraising publication. Please ask your employer, your plumber, your insurance agent, etc. to show their support for NBC in our 65th year. We are also seeking congratulatory messages to Rich Brandon on his 35 year anniversary at NBC in this book, which goes out to 5,000 people.

Every ad a parent gets puts their name into a drawing for a ham, five of which will be awarded. Thank you for your help with this important matter. All of the ad info is on the sheet attached to this Monkey!
