JAMES MARTIN IS KILLED IN SERVICE

James Martin, a former member and leader of N. B.C. was killed in the Service of our Country on February 26th while flying a Jet fighter plane over the Pacific near Hawaii.

Jim enlisted in the Marine Corps in the fall of 1951. While serving in the infantry in the Korean war he was wounded in action three times the following year. After that he was sent home for a rest and then later on was given the opportunity to become an air cadet. He succeeded very rapidly and was commissioned a 2nd Lieutenant in the Marine Air Force. Later he worked in rescue operations flying a helicopter and about 18 months ago became a Jet pilot. He was a first lieutenant at the time of his death and was in line for a captain's rating this spring.

Jim was always very proud of the ring which he received from the Club as a token for earning the White Star For Better Men award. He visited the Club regularly and at one time attended all the meetings of the week telling the boys of his flying experiences.

Our deepest sympathy to the Martin family and may God grant him rest and also reward him for the sacrifices he made in defense of our country.

"YOU AND ME"

Tom Kaiser and Gary Moore both joined the brainstorm club last week when they put the ball in the wrong basket.

Ten boys have already joined the Service crew; how about you? Last Saturday Roger Sieben and Ed Preusser did a fine job in cleaning up the whole clubhouse.

Tom Stiglic of the Braves was unable to attend his meeting last week because he had a very important game of guns to play. How many Indians did you get Tom?

Dave Stahl of the Fireflies is the top speller in Bell School. This is very good considering the fact that Dave is only in 7B.

The second group of N.B.C. Alumni members held their banquet last Tuesday night in the new clubhouse. It was very successful as over 125 members attended.

The "CZAR", Don Wilhelm received a very beautiful trophy on his birthday last week. The Czar was very proud to receive it and has spent the last week inviting friends and relatives over to his house to see it. Ask him if you can't see it too and remind him that life begins at forty!

The N.B.C. Mothers will have their first meeting in the new clubhouse on Wednesday at 8:00 o'clock. All mothers of N.B.C.'ers are invited to attend.

RESERVE PING PONG TABLES

As of today, our crews may reserve ping pong tables for next week. After tables are reserved, no other individuals or crews may use the table. Crews must have at least three members present on the day that the tables are reserved or else lose the privilege of reserving a table for the following week. The hours that can be reserved are Monday thru Friday from 3:45 to 4:45. The Team Centers have the tables after 4:45. We can't reserve more than one hour until Thursday. If there are still open hours after Thursday any crew can sign up for them. Sign up for the tables at the check-out counter. Note to Prep Leaguers: It would be a good idea for you to sign up for tables on the days that you have games.

Team & Senior Post Boys can reserve Monday thru Friday from 7 to 8 and also 8 to 9 hours.

DON'T use the doors on the east & west sides of the clubhouse; ALWAYS use the door on the park side. The front ORANGE door is only for adults.

PREPPER "B" BOMBERS SPLIT

Although the Bombers were clobbered by the Fireflies on Wednesday, they came back on Thursday to nip the Owls by a score of 12 to 10. Led by all-league candidate, Mickey Boywid, the Fireflies won easily by a score of 22 to 9. Mickey made 16 of the winners' total all on field goals. Two of the Bombers 9 points came when Gary Moore "brainstormed" and put the ball in the wrong basket. He didn't have that kind of luck in trying to put the ball in his own basket. Maybe this was because only the privileged few were given "permission" to shoot by the "boss". Look at the scoring and try to guess who the boss is. Bob Hild was the only scorer for the losers. It looks as if Bob might be coming down with a case of "boss-i-tis" too. Bob shared the ball a little more often in the Owls game, and as a result, the Bombers won as both Bob and Bill Kijek hit for six points each. The Owls should have won the game because they took at least twice as many shots, and from close in too. But only five of their huge number of tires dropped through the hoop. John Mielke and George Curtis each made four points and Larry Hicks made the remaining two. The usual dependable Joe Traubenik was shut out although he took his share of the shots. The funniest incident of the game occurred when "Wildman-Curtis" forgot that he wasn't playing football. He got the ball on a pass, lowered his head and ran right over a very surprised Tom Costa. Referee Dennis Waliczek yelled out, "First down and ten", and then called a foul on George for charging.

ARMY TAKES TWO FROM ORIOLES

The Prepper "A" and Prepper "B" Army knocked off both of the Oriole teams last week in two close contests. Bob Andrews and Clyde Alho led the B team to victory with two points each. Andrews made two clutch free throws and Alho sank a first half basket. The only basket made by the losers was one by Ken Knapcik. The Army A team rallied from a first half tie of 4-4 and finally won by a count of 7 to 6. Sharpshooting Tim Knight connected for all of the winners' points as he put in three baskets and a free throw. John Failla was the only Oriole to make a field goal as all of the other points were scored on foul shots.

BRAVES FALL TO LOCUSTS

Neither A or B Brave team was able to make a point as they were shut out last Wednesday by scores of 10 to 0 and 2 to 0. The Locust B team piled up their big margin of victory due to the fine play of John Jost, Mickey Sloan and Rich Boywid. Jost made three fine shots from out on the rim of the keyhole and Boywid made two from about the same position. Sloan was a demon defense so that the Braves hardly ever got the ball out of their own territory.

NEW NUMBERS

- Randall Osowski - 21-19 in Prepper A.
