"YOU AND ME"

The Hornets will have the party which Mrs. Cunningham promised them as soon as she returns from Florida.

Tom Coppola of the Spiders caught a 19" Northern Pike while fishing at Lake Delavan, where his mother & dad have a summer home.

Kevin Coleman of the Yellow Jackets sends his greetings from Cable, Wisconsin. He reports catching a 24" Walleyed Pike.

CHOIR REHEARSALS START SATURDAY

The N.B.C. Choir will start the fall rehearsals on Saturday, September 6th, at 7:00 P.M. This week all new members who are interested in joining our Choir should come in and sign up with Mr. Casimer Urban, N. B. C. Choir Director. Also all former members should be present.

TIGERS TAKE PONY FLAG

The Tigers, who were ably coached by Mr. Stiglic and Mr. Lucchessi, really surprised everyone by overcoming an underdog status and swiping the Pony League pennant. At the end of the first round, the Yellow Jackets, Cards and the Tigers were all tied with a 6 and 1 record. In the play-off series, the Tigers defeated both of their opponents and gained the opportunity to meet the second round winners, the Mantes. The Mantes were the favorites when the play-offs started, but the Tigers proved that favorites don't always win. They promptly beat the Mantes two straight games and thereby won their title. The outstanding players for the Champs were Lenny Lucchessi, Fred Stiglic, Bob Miller, Phil Pinzetti and Paul Kargas. Congratulations both to the Champions and to their Coaches.

FIRST MOTHERS MEETING ON WEDNESDAY

The first N.B.C. Mothers Meeting of this new fiscal year will be held on Wednesday, September 3rd at 8:00 o'clock in the Community room of the Clubhouse. All mothers of N.B.C. are invited to attend and they're looking forward to having many new members.

Incidentally Mrs. Lennert loves to get postal cards and has informed us that her (?) birthday is on September 15th. Here's your opportunity and her address is 2442 W. Grace street.

DINNER PARTY FOR COACHES & UMPIRES OF PONY LEAGUE

Mr. Robert Buehler, founder of N.B.C., is sponsoring a party for all the umpires and coaches of the Pony League on September 4th. Reservations must be made with Dick or Don Wilhelm before September 3rd. Don can be reached in the evenings at BU 1-4075 and Dick at JU 8-6927 or IN 3-1848.

TIGERS GET INTO PLAY-OFFS; BEAT CARDINALS

The Tigers worked their way into the finals with the Mantles by wrapping up an easy victory by a score of 11 to 3. It was quite different than the other two games which were always nip & tuck with never more than a run separating the two teams. The Cardinals took the lead in the first inning as hits by Ward, Krahl, followed by a double by Dever accounted for two runs, however after this inning Pinzetti hurled excellent ball and held them to 3 hits for the remainder of the game. The Tigers scored in every inning but the last, climaxing their scoring with a 5-run sixth inning. Kar-gas was the batting star of the game getting 4 straight hits before flying out the last time at bat. Hard work and practice directed by coaches Stiglic and Lucchesi has been a real factor in getting the team in the championship play-offs.

LEAGUES ARE SCHEDULED ON CERTAIN DAYS ONLY

The various leagues in the Club are scheduled only on certain days in order that other activities can be scheduled on those days. In the Tribe League Team Center 1-2 league will not play on Mondays & Wednesdays; Team Center 4 league will not play on Tuesdays or Thursdays and Team Center 5 league will not play on Wednesdays and Fridays. In the Team League the boys will not play on Fridays which will give them an excellent chance to plan week-end trips among their crews.

REGARDING COKES

With the fall season opening we'd like to stress the rule that bottles may not be taken out on the fields at any time. Broken glass is a bigger hazard on the field than any type of playing. We try to protect the boys by weight limits and other rules; let's all cooperate and keep glass off the playing fields.

TIGERS ARE TEAM CENTER 4 CHAMPS

The Tigers won the championship in Team Center 4 League as they won 14 out of 15 games. The secret of their success was excellent pitching and catching with Tom Stiglio and Terry Saffo alternating at the positions. As a team they batted .292 and the individuals who led the team were Saffo with .500, Stiglio with .474 and Dorner .471. The team was also tops in waiting out the opposing pitchers as 135 men got on base via walks. This almost doubled that of the other teams. They played well together all season, had good spirit and deserved to win.

HORNETS WIN IN T.C. 5

The Hornets took the title in their league by winning 13 out of 15 games. The competition was close all the way as the Spiders pressed them until the final week of the season and then finished only one game behind with a 12 & 3 record. In the season's play the Hornets, coached by Ralph Miller, beat the Spiders in two out of three games. The hurling for the Hornets was well taken care of by Feuerschwenger and Pleske. The Hornets had wonderful batting power and finished with a team mark of .386. This high average was due to the bombarding bat of Feuerschwenger who hit .711 besides leading the league in doubles and homeruns. Other heavy hitters were Jost .320, Weber .364, Pleske .500, Stahl .355, Walters .484 and Catalano .543. The team led the entire club in homers with 13. Congratulations to the winners!

FLICKER BALL RULES

The following are the rules for the next sport which all leagues will play. Read them over very carefully.

1. Length of Game: Two 16-minute halves set up in this manner. 8-minute quarters, 3 minutes between quarters and 8 minutes between halves. Total time of game about one hour.
2. Number of players: Full team 11 men, however a team may play with 8 men.
3. Substitutions: Each boy must play at least one quarter; substitute for injury any time; free substitution of players during official time out, after goal or attempted goal, if ball goes out of bounds, or when ball is dead. No substitution may be made for a player in the penalty box.
4. Putting the ball in play: A coin flip at the beginning of the game gives the winner choice of putting the ball into play or defending a certain goal. The loser gets the same choice at the 2nd half. To start the game, at half time, after a score or unsuccessful try or when the ball travels into or beyond the end zone, the ball is put into play by a player standing behind the inside end zone line. A ball which goes out of bounds between the two inside end zone lines is put into play at the spot it leaves the field. A team in control of the ball at the quarter puts the ball into play from the center line off side at the beginning of the next quarter. If there is an overtime period a coin toss determines who takes the ball out from the front end zone line. If there is a sudden death over time the ball is put into play by the controlling team from the center off sides line.
5. Ball in Play: A team retains possession of the ball if it completes consecutive forward, lateral or backward passes leading to a scoring attempt. The passer must not hold the ball longer than 20 seconds. He may run laterally or backward from the point he gains control of the ball. He may either forward pass the ball or lateral it. A pass receiver or interceptor may take only 3 steps forward after gaining control of the ball. A violation of these rules gives the defenders possession of the ball at the point of the violation. The defending team gains possession of the ball after each incomplete pass by downing the ball. If the ball goes out of bounds the team last touching it loses possession of it at that point where it leaves the field. (cont'd. on page 4)

FLICKER BALL cont'd from page 3.

It is put into play where it leaves the field. If the defending team does not down the ball it is put into play at the point where it rolls to a stop. The team which attempted the incomplete pass must stay away from it. A team may gain control by intercepting a pass in flight. A batted down or partial blocked ball that does not hit the ground is in play. A batted down ball or fumble intercepted is a free ball. A batted down ball that goes into the end zone on a scoring attempt is the defense ball as is one which hits the football goal post. Any ball which hits the football goal post first is a dead ball.

6. Fouls & Penalties: You cannot pass the football into the far court unless you have a receiver in there. This plus intentional grounding of the ball gives the ball to the defense at the point of the foul.

Kicking, punching or slapping a loose ground ball has the same penalty. If two men both have partial possession of the ball it goes to the defender. Any form of body contact such as pass interference by the defense or offense, roughing the passer, clipping, tripping, charging by the passer while moving laterally or backward results in a free shot from the end zone line by the fouled and removal from the game until the next regulation score by the team who fouled. Any unsportsmanlike conduct can result in the expulsion from the game and a technical foul free shot.

7. Players Equipment: Players may wear gym or regulation football shoes. Baseball spikes are not permitted.

8. Tie Games: Games ending in a tie are played to a final score by two overtime periods. The first is a 4-minute period. A coin flip decides who get the ball first. If a second one is necessary there is a 2-minute wait and then another 4-minute sudden death period. The team in control of the ball at the end of the first period brings it into play from the center off-side line.

9. The ball is dead after a score or scoring attempt, after a foul, after an incomplete pass, when it leaves the field, during time outs, if it enters the far court before a receiver is there, if it hits the goal post or rolls into the end zone. An incomplete pass not touched by the defense cannot be recovered by the offense or passing team.

RODANS ARE BABY LEAGUE SOFTBALL CHAMPS

The Rodans, before a most enthusiastic crowd of spectators, beat the Horseflies in two straight games to win the Baby League Softball Championship. In the first game it wasn't much of a contest after the Rodans scored 22 runs in the 4th inning to crush their opponents by a score of 47 to 13. Dave Fahy was the big slugger for the winners in this game as he banged out 6 hits. Rich Brown was the only bright spot for the losers having a triple and homer to his credit. The second game was much better - in fact the Horseflies took the lead in the 6th inning but here the Rodans again put on a big rally of 12 runs and won the game 31 to 22. Jimmy Schodtler starred for the losers as he banged out a single, triple and 3 homers in 5 times at bat. Larry Lamb, clean-up hitter for the Rodans, showed why he's depended upon to drive in the runs - he hit a single, 3 doubles and 3 homeruns in seven times at bat. The Rodans ended the game in great fashion as they pulled a triple play to do it. Both teams played hard but there just has to be a winner and loser, so congratulations to both of you!

REGARDING YOUR BASEBALL SUITS

All the boys in the Tribe League who have baseball uniforms from the Club will receive a postal card within a week from their Team Center Dad as to the time they should return the suit. Remember every uniform must be returned neat and clean in every respect. They should be folded and wrapped up.

CADETS TAKE CHAMPIONSHIP

Led by the Schneider brothers, the Cadets edged out the Eagles and Orioles to capture the Championship of Team Centers 1 & 2. Mike Schneider hurled for the Cadets and did a fine job. Much credit must go to the Coach, Marty Warta, who guided his team to victory. The Cadets had a hard hitting team and finished with a team average of .364. The leading hitters were: Mike Schneider .667, Art Schneider .464, Tim Knight .406, Dan Jamleson .452, Frank Foy .440, Carl Ewald .424 and Nick Cannella .379. Congratulations to the Cadets, Champs for 1958.

LEATHERNECKS DO IT AGAIN

They did it last year and did it again this year. The Leathernecks repeated as baseball champs in the Frosh League. A look at the records show the Leathernecks leading the league in batting with a 305 mark. Three of their batters are listed in the big six. Joe Majewski with a 423 mark, Jerry Meservey 384 and Gary Rubinek 375. This doesn't mean that it was all power hitting that meant the championship. The Leathernecks did their bit of slick fielding and pitching also. Joe Jensen and Don Shapiro did most of the hurling. Gary Rubinek held down the first base chores besides his slugging duties. Mike Klein did most of the second base guarding, Jerry Meservey handled short and Joe Majewski third. This gave the Leathernecks not only slick fielding infield, but also power complete around the horn. Mike Gantert did a remarkable job behind the plate. Stuart Citron, Sol Swartz Don Johnson, Ken Karpes, and Jim Genovaldi patrolled the garden in fine fashion. Both the Scorpions and Royals offered interesting opposition but in the end the Leathernecks romped home a full four games in front.

COUGARS ARE CHAMPS

In their first endeavor at N.B.C. the Cougars lost no time in bringing home their first title. They managed to outdistance their nearest rival, the Hornets, by a full two game margin. The team showed power in their lineup all the way. Jordan Fein, Hans Wicks, Bob Grotzinger, Bob Schmidt, Carl Oltmanns and Bob Hupp did most of the heavy hitting. The defense saw Jordan Fein and Hans Wicks taking turns on the mound. Frank Deniston, Bob Ofenloch, Bob Stahlberg, Jim Byrne, Tom Simon and Bob Hupp handled the outfield chores. Bob McLaughlin saw a lot of duty behind the plate. Around the infield, it was Bob Schmidt at third, Carl Oltmanns at short, Larry Weniger at second, and Bob Grotzinger at first. The Cougars are off to a fast start and no doubt will continue their winning spirit.

FLYING TIGERS FLY HIGH

Everyone is talking about a trip to the moon now-a-days, but as far as the Flying Tigers are concerned you just fly any higher than the Prepper "B" championship. Maybe their prejudiced but that's just what they did. They came closer to an undefeated season than any other baseball champ at the club this year; dropping only one game of their fifteen game schedule. It's no surprise to see them a full 6 games in first as the other teams knocked each other off with regularity but were unable to give the Flying Tigers a hard time. The Flying Tigers led the entire Club in batting with their 391 batting average and will go down in N.B.C. history as one of the top hitting clubs of all-time. With such a record, it's no surprise to see the individual honors with 548 and Joe Chvojsek came in with a nifty 481. Joe also proved to be the mainstay of the pitching corps. He threw in a no-hitter during the season for good measure. His brother Frank was always ready to do some chucking himself when the opportunity presented itself. Harvey Waliczek did most of the receiving. Tom Ford was steady at third, Frank Chvojsek and Don Swanson switched back and forth between first and short, while Denny Waliczek roamed at second. The Tiger outfield was loaded with talent with such players as Al Andrews, Henry Genovaldi, Dick Gudemann Gene Knaus and Ken Poteracki always ready and willin. When you come right down to it, there wasn't a weak spot on the field -- if you don't believe it -- just look at the records.

SCARLETS TAKE TITLE

A well balanced and fast coordinating team named the Scarlets copped the honors in the Little Baby League race. The end of the season showed their record with only one loss against thirteen victories. Among the wins was a no-hitter which only further proves the ability of the Scarlets. Jack Sharkey was the untouchable pitcher. Ron Bahr took the hot ones at third. James Traba and Bob Wentzlaff formed a dependable double play combination at short and second respectively. John Preston scooped them out of the dirt at first. John Lovitz directed a fine game behind the plate. Dick Wentzlaff always proved too much of a well in left field for the Scarlet's opponents. John Mielke and Wayne Sorve divided the right field chores as did Fred Strobl and Gary Frank in center. Dallas Erickson took over at short center.
