NEW JERSEYS & HELMETS SPARK PLAYERS

The tempo of our football season went into a higher gear last Saturday morning as all the Tribe League teams displayed their new jerseys and helmets for the first time. The three gridirons sparkled as the colorful jerseys and helmets worn by the boys turned our thoughts to beautifully decorated Christmas trees. And of course the spirit and play of the teams greatly improved too. The jersey colors include scarlet, green, royal blue, navy blue, gold and black and they all are trimmed in contrasting colors. The plastic helmets with face guards match the jerseys. Yes, no one ever had it that good at N.B.C.!

THINGS TO REMEMBER

After each game be sure to turn your arm bands in to your captain. He must then give them to the referee. If you forget and wear it home be sure to bring it back promptly.

Keep your helmet shiny. You can do this easily by polishing it every week. Use furniture or automobile polish or wax. When your mother washes your jersey ask her to use a soft soap and luke warm water.

Call for the equipment you ordered only from 3:30 to 4:00 and 5:30 to 6:00 every day.

If you did not pick up your jersey and helmet yet be sure to do so this week. Beginning next week all boys in the Tribe league will have to wear his jersey and helmet to every game. If there is any reason for not having it he'll have to get permission from Dick in order to play.

CHRISTMAS PLAY

Forty boys signed up last week and those of you who'd like to be in it can still sign this week at the counter any day.

"You and Me"

Kenneth Cole of the Bees proudly displayed the hole where he lost a baby tooth in a game last week.

Jack Sharkey was the winner in the first ping pong tournament of the season. The Cadets & Owls did not tie as stated in the Monkeyshine. The Cadets were the winners but the score sheets were not marked properly.

Note: Be sure to attend the tournaments this week.

RESULT OF FOOTBALL GAMES

LOCUSTS BEAT FIREFLIES! The Locusts, led by Mickey Boywid, outscored the Fireflies 12 to 6. Mickey ran, passed and guided his team to victory. The first Locust score came from a pass to Woodburn who ran 26 yards for the score. Then Kale recovered a fumble for a touchdown. The Fireflies scored their only touchdown on a spectacular 80 yard run by Malnati.

PANTHERS BEAT LEOPARDS! The Panthers led by their quarterback Dan Courtney defeated the Leopards 6 to 0. He guided his team throughout the game. He ran the ends, through the middle and passed to ends Lynch and Chapman. After the first quarter the game was played roughly. The star for the Leopards was Kelly who played a fine game, however the defense, led by Phil Emmling, contained him to short yardage.

DRAGONS BEAT WASPS! Steve Hoffman scored in the last quarter on a 10 yard plunge to beat the Wasps 6 to 0. Neither team showed anything on offense but a little organized practice will make a big difference. How about it fellows?

NOTES ON FOOTBALL GAMES

**BABY LEAGUE:** The Rodans edged out the Black Panthers by a score of 7 to 0. The score came in the first quarter when Fahey tossed a short pass to Bill Gallagher who ran 60 yards for a touchdown. Knapcik went over for the extra point. Sharkey and Kwech played a fine offensive game and Ahrendt and Salton were outstanding on defense. Christner and Kwech played fine ball for the losers but they better get going and practice if they intend to win the championship.

By: Jack Sharkey  
In an interesting game Olzeski scored all the points for the Horseflies to win for them by a score of 8 to 7. Woodburn and Hallahan teamed up for the touchdown and extra point for the Bees. Both teams played well and will do alright with a little practice.

**TRIBE LEAGUE:** The Locusts drew first blood on a 10 yard pass from Mike Boywid to Bill Woodburn and from then on it was a very tight defensive battle. Each team threatened several times but then late in the fourth quarter Hlavac pitched out to Norm Taylor who threw a 15 yard touchdown pass to Feuerschwenger. The point was missed and the game remained a 6-6 tie.
