PARENT & SON GAMES HIGHLIGHT HOCKEY ALL-STAR DAY ACTION

The 1990-91 NBC Floor Hockey season comes to an exciting conclusion on Sat. Feb. 2nd with an ALL-STAR DAY. The league champs will face off against the All-Stars from their league, but the real fun starts when the moms and dads step onto the floor and challenge their sons! Last year, the Prep Sons were 11-9 winners (1-1); the Tribe Parents (1-3) were 11-4 winners; and the Teen Parents (2-3-1) were 11-9 winners.

Everyone is invited to come out and cheer the boys on! Lunch will be served after the games in the Clubhouse between 11:00 and 3:00, and the Tribe and Teen Video Club will broadcast the games live! A group of moms have kindly volunteered to serve lunch, and we'd like to thank Terri Olifer, Sandy Myers, Christa O'Keefe, Carla Aspengren, Debra Kaminski, Sharon Grayson, Gina Davis, Cerry Letrich and Donna Christian. They will serve hot dogs, sloppy joes, pop, coffee and chips.

The NBC Program Committee is organizing a free tutoring program for NBC members. The tutoring will take place here each Wednesday at 4:30 p.m. for one hour. The subjects involved at the start are English, reading and math. If your child is in need of some help, why not get him into tutoring? If you do, you might not have to ground him from outside activities, such as his games.

An in person registration will take place on one day only, Saturday, Feb. 9th from noon until 3:00. One of the boy's parents must accompany him to this sign up in order for him to be accepted into the program. Among our tutors are DePaul professor and Program Committee chairman Ed Forst, grade school teacher Tom Boettjer, Marcia Lansu, Karol Weigelt, Gloria Ottesen, Regina & Matt Mulhern and Jim McGuire. If you have any questions, call Jim McNulty at 463-1848.

PARENT & SON DARTS THIS WEEK!

The next tournament for parents and sons will be darts, and sign ups are underway! We'll start off with Cadet and Prep Mothers & Sons the first week of February, and have the Fathers & Sons the following week. You can sign up at any activity, or by stopping in at the office. The tournaments are a lot of fun, and you'll enjoy playing with your son and meeting some of his friends and their parents. We'll also have some pop and chips, and welcome any treats you'd like to bring along.

These events are sponsored by Gilbert Gay and the Great Lakes Corp. through our Corporate Sponsorship Program, and we thank them for their support.

VOLUNTEERS NEEDED FOR VARIETY CLUB CHILDREN'S CHARITY

On Saturday, Feb. 9th the Variety Club is inviting 2,000 disadvantaged and abused Chicago youngsters to a spectacular, unique indoor amusement park at the Hyatt Regency Hotel. It will be a magical day filled with clowns, games, rides, magicians, music and food.

Volunteers are needed to assist. If you can help out that day from 7:45 a.m. until 2:00 p.m., call or stop by the office. Volunteers should be 15 or older. You can get there on your own, or meet at NBC at 7:00 a.m. for a ride.

DADS' CLUB MEETS WEDNESDAY BULLS GAME IN MARCH

The NBC Dads' Club invites all of our dads to their February meeting. The group meets on the first Wednesday of each month at 7:30 p.m., so put a circle around Feb. 6th! The dads hold social and fundraising events each year, such as the Bears Bash, Ham Sale, Mother's Day Plant Sale and running the beer garden at the Carnival. They also serve as coaches during the year, help on Thanksgiving and at the Track Meet, and use their professional skills to do electrical work, plumbing, painting, repairs, etc. Why not come out and be a part of the group which makes things happen! They'll be happy to see you.

The next social event will be held at the Penny Lane Lounge, located at Western and Cullom, on Wed. March 13th. The Bulls will play the Bucks, and plenty of food and refreshments will be onhand. We don't know the time or the cost yet, but look for more info in the weeks to come!

APPROVED BASKETBALL COACHES

We had a pair of introductory meetings for adults interested in coaching basketball this season. We talked about important coaching ideas as well as a few things in regard to rules.

The following are the only approved coaches for the season. No one but approved adults may work with the boys in any capacity. Cadet coaches are Tony Olifer, Brent Weaver, Jeff MacDonald and Tom Gudella. Lenny Schoenfelt is the only Prep coach and Steve Arvik the only Tribe coach. There are no Teen coaches. If another group expresses a coaching interest, another meeting will be set up within two weeks.

**CADET AND PREP BASKETBALL MEETINGS
CAPTAIN VOTING & LIFT FITNESS CONTEST**

February is Fitness Month at NBC, and all Cadet and Prep members will begin the LIFT Fitness Contest at their meetings! This yearly event includes five short fitness tests - sit ups, pull ups, push ups, the broad jump and a short run. You can earn ribbons and trophies during the individual competition, plus the top scorers from each team compete in a team finals! The first test will be the Shuttle Run, and you'll try it at the Feb. 4th meeting. This contest welcomes members whether they are playing basketball or not!

Also at the Feb. 4th meetings, teams will vote for their basketball captains. When you vote, remember that you are giving a teammate the responsibility of placing everyone in positions, setting the sub rotation, and determining who gets extra playing time during free substitution. The captain also has work to do, like keeping track of his teammates' attendance, and getting them out to games, practices and meetings. This will all be explained at the captains' meeting. We will award the ribbons which members earned from floor hockey, take sign ups for the Parent & Son darts, and talk about tutoring and the start of basketball games. Be sure not to miss this important meeting!

ALL TEAMS WILL MEET AGAIN AT THE SAME TIME FEB. 18TH

At the meetings on Monday, all Cadet and Prep members will be writing a letter to a soldier in Saudi Arabia. Tell them a few things about Chicago, where you go to school, about the Boys Club, etc. We'll also have some sports clippings for you to send along, or you can bring your own! Several of our alumni are stationed out there.

FREE THROW CONTEST COMING!

All NBC members are welcome to come out and test their skills in our annual Free Throw Contest. The contest is held every year around Lincoln's birthday and is a Club tradition which dates back to the 1930's!

The FTC will take place on Mon. Feb. 18th from noon until 2:30 and from 3:30 until 4:30. Those who are off of school must shoot during the early period. Cadets will shoot in NBC's small gym, while Prep, Tribe Teen and older shooters will do in the Revere Park gym. You'll start off with two practice shots, and then the next 25 count! The top three shooters in each age category (min. of 10 shooters) will be awarded trophies. Practice time will be set aside over the next few weeks to work on free throws, so give it your best and don't be afraid to try! Although only one person can "win", never assume it cannot be you! If you do not win a trophy, you're still a big winner for trying your best.

All shooters must wear gym shoes. Cadets who hit at least 10 shots will try again on the regular hoop for an all time record. Here are the marks you'll be shooting for:

8 & 9 Yrs.	Steve Diversey	15	1980
10 & 11 Yrs.	Steve Diversey	21	1982

BASKETBALL PRACTICE SCHEDULES

Part of your commitment to your teammates is coming out to practice regularly to work with them. You'll improve yourself as an individual and your team as a group. That's what teamwork means!

Sports can be difficult to play and can frustrate you to the point of quitting, just as that new Nintendo game can. If you give up right away, you'll never accomplish anything. Keep playing Nintendo and you always get better. Practice at basketball, work harder at math, and you always do better. Stop trying and you never get anywhere! Let's try our best start to finish. Practice is just the start.

EVERY THURSDAY	4:00	Cadet Bees & Locusts
	4:40	Cadet Bobcats & Cougars
	5:20	Cadet Falcons & Pirates
EVERY FRIDAY	4:00	Prep Bees & Locusts
	4:45	Prep Bobcats & Cougars
	5:30	Prep Falc, Pirates, Viks
	6:15	Tribe Falcons, Pirates, Viks
	7:00	Tribe Cougars, Bees, Locusts

Be sure to bring clean, dry gym shoes to each practice. The practice schedule will probably include a couple of changes next week after the Prep and Tribe teams are finalized.

SHIRTS AND NUMBERS MUST BE WORN

Basketball players must wear their NBC team shirts at all games as of Tues. Feb. 5th. THERE ARE NO EXCEPTIONS! Also, all players must have their correct number ironed on the back of the shirt by Sat. Feb. 9th. Shirts and numbers will be sold after meetings, practices and games by the Staff member working with your league. Shirts are \$4.00 and numbers are 50c each. You may use our iron if you like, but please do not ask us to do the job for you as we have enough to do already. Thanks!

JOIN IN THE RECYCLING EFFORTS

Although recycling programs are still in their infancy, recycling will be a part of everyday life as you grow up. We just cannot afford to throw everything out anymore! NBC families can start making a positive impact on the future of our environment by recycling aluminum cans at NBC, and plastic products at Revere Park!

The two large, blue dumpsters by the parking lot gate are for plastic products. This is a service of the Park District. Many of the items in the playground were made from recycled plastics! NBC recycles aluminum cans (no steel, please, such as 7 up, Dr. Pepper, Coke). Glass and newspaper can be dropped off in the parking lot of DeVry Institute at 3300 N. Campbell. Join in!

Tribe League

The Vikings won their series over the Bees by an 8-7 score last Saturday. The Viks were rolling early and led 4-1 after the first. The scrappy Bees fought back and pulled to within one at 5-4 after a fast-paced second period. Both teams hustled in the third and the Bees came close to pulling off a frantic rally, but each team scored three times and the one goal margin held up. Rafael Haro led the Viks with 4 goals, while Carlos Ferniza, Chucky Boneyz, Jason dela Cruz and Juan Cervantes scored once. Others who helped in the win were Enrico Lopez, Dave Cornejo, and Ryan Howard. Doing a tremendous job for the Bees, who were let down by their teammates and played with just 4, Ron O'Keefe scored 5 goals, and Dan Perez and Zack Wirsum added goals. Also doing his best was Alex Bernstein.

The Cougars tied up their series against the Locusts on Saturday with a thrilling 9-8 win in overtime! The Cougars pulled out in front 3-2 after one. Each team added three in the second, and the Cougars took a slim 6-5 lead into the third. The Locusts rallied to tie the game at 8-8 thanks to a pair of goals by Jacob Haslwanter. In the OT, the Cougars won on a goal by Mike Christian, his fourth. Greg Banks and Ryan Letrich scored twice and Brian Skinner once. For the Locusts, Haslwanter bagged 6 goals while Erik Abraham and Brian Sawyer scored once.

In game three on Thursday, the Cougars played a great defensive first period and built a 4-0 lead. The Locusts bounced right back with 4 goals in the second, but the Cougars added three and led 7-4. Each team scored twice in the third, and the Cougars were 9-6 winners. Tony Ratana and Paul Sopanarat paced the offense with 3 goals each. Brian Skinner scored twice, Greg Banks once along with fine play in goal, and Ryan Letrich, Eduardo Lopez and Mike Christian did a solid job. The Locusts played very well this season and were in the race during both halves. Jason Davis and Joe Gibbons each scored a pair of goals, and single goals were added by Karl Haslwanter and Erik Abraham. The Locusts didn't go down easy, as they had sliced it to 7-6 before pulling their goalie late in the game. Two empty net goals made it look like it wasn't as close as it was. Also doing a fine job were Matt Myers and Tony Christopher.

Teen League

The Teen Eagles and Falcons played a best of three ribbon series, and the Eagles were winners in a sweep. The first game was quite close, but the Eagles prevailed 9-7. Paul Radoszewski stickhandled his way around the Falcons for 4 goals while Erik Loza had three and Jesus Pinto a pair. For the Falcons, Vinnie Ochoa scored 3 goals, Andy Cruz two, and Darren Adams and Byron Rogel added one each.

In the final game on Tuesday it went into OT before the Eagles won. The Falcons got off to a surprising start and led 3-1 after the first. The Eagles fought back and drew into a 4-4 tie after the second. Both teams fought to gain the upper hand in the third, but each scored twice to force an overtime decision! In the OT, Milton Cardenas blasted one in for a thrilling victory. Paul Radoszewski led the Eagles with 3 goals, while Cardenas and Erik Loza each had two. Jesus Pinto, Silas Swindle and George Shamoun played very well. For the Falcons, Andy Cruz and Mike Rosegay scored twice while Byron Rogel and Vinnie Ochoa hit once. Darren Adams did fine work on defense.

*****NBC ATTENDANCE POLICY*****

Good attendance is an NBC expectation. Our present policy is that if a player quits a sport or is dropped for poor attendance, he loses his automatic right to remain on that team. He must earn his way back during the next sport he plays, proving to us and to his teammates that he understands what it means to be a responsible teammate.

Members who fail to finish what they start are placed on the "waiting list" the next time they sign up for a sport. They are then placed on a team-in-need after sign up ends, not their regular team. If they finish the sport with good attendance, then they regain the right to play with their friends during future sports.

Those who make quitting a habit will not be able to sign up for team sports, but will be welcome to use the gameroom, participate in meetings and tournaments, special events, join Karate, etc.

VIDEO CLUB KEEPS ROLLING ON!

The NBC Video Club, open to Tribe and Teen members and girls, has had a busy winter. In addition to the sports shows and interviews they did last week, they have taped two hockey games to prepare for today's All-Star events. The group is showing the games live today. New features are being talked about at their meetings each week. If you are interested, see Rex Pecoraro on Wednesday at 4:15.

Those who participated in the shows last week were William Hebert, Jason Davis, Erik Abraham, Ryan Letrich and Arturo Radilla.

THE WEEKLY FEATURE "THIS DATE IN SPORTS HISTORY" WILL RETURN NEXT WEEK, INCLUDING THE FASCINATING THAT WERE SUPPOSED TO APPEAR THIS WEEK!

HOME SAFETY TIPS

THE FOURTH MOVE: Investigate an Alarm System

If you live in an isolated area, in a neighborhood vulnerable to home break ins, or have valuable art or antiques, explore the benefits and cost of an alarm system.

The simplest in-house alarm system sets up a small electrical circuit across door locks and from window to frame. When this current is interrupted by someone opening the door or window, the alarm sounds. More sophisticated systems include sensing devices to set off the alarm siren when an intruder disturbs a field of sound or radar waves. An alarm system can be monitored by a central station which alerts the police. It can include smoke and fire alarms and buttons to signal a medical emergency.

Look for a system that's made to meet high quality and reliability standards. Ask for the company's references before you sign a contract.

Next Week: The Fifth Move - Rehearse With Your Family

PARK DISTRICT PING PONG TOURNAMENT

The annual Park District Ping Pong tournament will be held at NBC on Fri. Feb. 15th. THANKS FOR THE UPC SYMBOLS

We would like to thank the Haslwanters for kindly bringing in 7 Oscar Mayer UPC symbols last week. We are saving them for free sports equipment. Just cut them out and put them in an envelope with your name and drop them at the office. Tell your friends and neighbors to help.
