WHEN IN DOUBT, CHECK IT OUT!

There aren't very many days when NBGC has to cancel games or practices. If the weather is really bad with lots of mud or late afternoon rain, then we might have to cancel. When the weather is bad, CALL US AT 463-1848 AFTER 3:30 PM. Our answering machine or Counter Leader will tell you what is going on. We will not cancel anything before 3:30 PM. You should always be ready to play or practice.

FOOTBALL RULE CHANGES COMING!

NBGC Football coaches and interested parents took a good, hard look at the development of our football program and the impact some of the rules have on the game during the past few months. Some rules make it difficult to coach and some make it tough to officiate. There are rules which have taken away the opportunities of the smaller players, and those which have led to an increase in roughness.

After a great deal of thought and discussion, the following changes are going into effect in September:

1. **Eliminating flags** in the Prep, Tribe and Teen leagues and going to a two-hand tag. This was the rule until 1986. This will reduce the potential for contact, roughness and will simplify the rules.
2. **Limiting the blocking of a heavy in the backfield.** Many times the heavy gets going like a steamroller, picking off smaller players.
3. **Limiting the number of times a heavy can be called into the backfield** to once per series in the Prep League and twice per series in the Tribe League, whether he runs or not.
4. **Adjust the weight limit system** so that more lights will be available to run, thereby reducing the need to use heavybacks.

We are confident these changes will have a positive impact on the program, simplify the rules for the officials and make the game more enjoyable for the players.

LEADERS OF THE MONTH

We would like to recognize the following Leaders who've earned "Leader of the Month" awards. Each received a certificate in appreciation of their hard work, progress and dedicated efforts during the month. Congratulations!

Leaders are members who are about 13 years old and approaching 8th grade. Boys and girls can apply by stopping by the office and talking to Jim. The Leaders have the responsibility of running the gameroom, games, practices and other activities. Although the girls and boys earn some money for their work, based on performance and effort, the real benefits of becoming a Leader are the training and potential of earning college scholarship money.
