Tribe Football News

By: Mike McAdams

Saturday November 6 was another exciting day of football with one of the biggest upsets of the season. On the other hand though the Club was very disappointed with some of the attitudes displayed by some of the coaches and players. Sometimes we have to remember, "why are we here?"

Anyways, the first game of the day started at 10:15 with the Pirates playing against the Falcons. The Pirates came out today and took full control of the game from the start. Francisco Solano stood up to the table once again today with two touchdowns including a two yard run and 75 yard completion pass into the endzone. The Falcons struggled on this day and just could not get any offense flowing. David Cruz finished the game off with an interception which he ran into the endzone making the final score 18-0. Playing hard for the Falcons were Greg Segura, Joe Gonzales, Joey Cihak, Kimani Leonard, Mark Behzad, Johann Pinson, Eric Flores, Rigoberto Campuzano, Ofir Bustamante, Eric Joyce, Daniel Gutierrez, Milan Zivanovic. Leading the Pirates to victory were Fernando Cruz, David Cruz, Francisco Solano, Paco Galicia, Dan Jensen, Roberto Anguiano, Christian Argueta, Alex Gonzalez, Jason Galarza, Justin Hays, and Ryan Pocius.

In the second game of the day, it was the Bees against the Spartans. On paper the Bees looked like they would win this game, but the Spartans had other ideas. The Spartans were determined to get their first win of the season even though they only had ten players. With tough defense and aggressive offensive tactics, the Spartans were able to pull this off. Peter Miller's 1 yard run into the endzone in the fourth quarter proved to be the winner making the final score 6-0. Playing hard for the Bees were Chad Wright, Jeff Otto, Daniel Branecki, Anthony Lombardi, Michael Ramirez, Michael Whitewing, Jason Jenkins, Isaac Pritzker, Chris Nurnberg, James Hill, James Campbell, James Ridgeway, and Sean O'Connell. Leading the Spartans to victory were Derrick Dominquez, David Hardwell, Sean Barnes, Jim Miller, Peter Miller, Joseph Hernandez, Luis Flores, and Jon Wesley.

Prepare for the Arrival of the Storm Creation!

By: Jason Keppe

We are establishing a new program for teens at the Club, a group dedicated to exploring the creative arts of theatre and writing. The group will be known as the Storm Creation and it is the brainchild of a young visionary named Tiffany McGee. Tiffany brings with her a great deal of experience in the arts, having worked most recently with the Live Bat Theatre Company. We will also be collaborating with Laura Force and the program for teens at Revere Park. The group will be exploring a number of different art forms. No experience is necessary, just a willingness to discover. Come explore with us - try new things in a safe, supportive environment. Our first meeting will be on Monday November 15 at 5:30 p.m. Come feel the energy and the power of the Storm.
