PREP ALL-STAR MADNESS

By: Kevin Ward

The first game of the day was the most anticipated one of all. The prep champions, the Spartans, squared off against the leagues All-Stars. The game was a toss-up from the beginning, and was just that as the game started. Points were scored back and forth like a ping-pong game, and the crowd was loving it. By the end of the excellent game the Spartans showed what they were made of and upset the All-Stars with a 21-14 victory. Putting the points on the board for the Spartans were Eric Silva with a whopping 16 points, Eddie Mercado with 3 points, and Eddie Ortiz adding a bucket. Playing great defense were Sam Jensen, Alex Gomez, Gabriel and Israel. For the All-Stars Timmy Traversa and Daniel Barnes each had 4 points, while Chris Brundidge, Brian Jotzat, and Jon Patino added a deuce. Putting heat on the Spartans were Chris and Brian Legg, Jack Cinsman, Greg Orlich, Tim Mcnamara, Anthony English, Josh Martinez, Jonathan Guzman, Hector Couty, and Tommy Nickels. Lastly Eric Silva and Timmy Traversa snagged the player of the game award.

The second game of the day we had the famous "Parent versus Son" match up for the East side of the league. The game started with the kids walking all over the parents with their non-stop energy and team work. Though after the parents caught their breathe and were able to run without hearing the cracking of their bones they took the game in to their own hands and snapped on the number of points scored. After the long tedious battle the parents took charge and topped the kids by the score of 26-22. Showing their kids who's boss were Mike Brundidge and Charles adding 6 points, Philip with four points, Debbie Loletta with 3 points, Tim with a deuce and Yhette Couty with 1 point. For the sons Hector Couty schooled the parents with 10 points, Chris Brundidge and Robert Uhler with 4 points a piece, Jack and Greg Orlich each had 3 points, and Brian Jotzat added a bucket. Taking home the player of the game awards were Robert Uhler and Mike Brundidge.

TRIBE ALL-STAR DAY

By: Dan Ward

The first game of the day was a little depressing. The Falcons were supposed to face off against the Vultures for the league championship. To the Falcons luck the Vultures did not show up and they became this year's champs without a fight. Thanks to *Brian Waslik, Dan Gutierrez, Sergio Hernandez, Joe Hernandez, Enrique Vera, Luis Miranda, Nick Schriber, Greg Segura, and Adam Laluz*, all from the Falcons, for showing up to their game.

The next game pitted the best of the league against the league champs. This was a great game that came down to the last few plays. The All-stars had a good lead the first half, but the Falcons caught up quick. When the last whistle blew, the All-stars came out on top, defeating the champs 35-32. The All-stars were lead by *Ian Ellis, Horacio Brito, Carlos Rivera, Wilfredo Gonzalez, Antonio Arana, Jaime Mendoza, Javon Watkins, and Leon Rallings*, all adding at least a basket. The Falcons' lead scorers were *Enrique Vera* with 9, and *Greg Segura* with 8.

There was an extra bonus for the tribes on All-star Day, players from the previous game stayed for an extra game to try to get even with the refs and parents. Sorry older guys, I guess they just had a little more energy than us. The sons come out the winners by a score of 62-61. Thanks for coming out and enjoying your All-star Day with the Club.

SUPPORT NEEDED FROM THE PARENTS

The Neighborhood Boys & Girls Club began on a dreary day, in the middle of Paul Revere Park, on October 19, 1931. All that was NBGC on that day was 100 boys who wanted to play football, a football and two referees. The Ghosts and Trojans played to a 13-13 tie and a new organization was born.

The first clubhouse was an old house, belonging to the Forest Preserve District, located on the spot of the current playground. When it was condemned in the mid-1950's, NBGC parents went door to door to help raise the money to build the current clubhouse.

For over 69 years NBGC has thrived as an independent club for boys, and for girls since 1991, without the benefit of a large donor. This Club is not connected with the Boys and Girls Clubs of America, and has no single, large funding source. Our money comes from our Family Fest, Spaghetti Dinner, Ham Sale, Directory, alumni donations, parent donations and grants from several foundations and the Chicago Department of Human Services. All of these funds come through the hard work of volunteers who love NBGC for what it has given to them or their children.

How can your family help? One way is to get involved as a volunteer in the Program, with YouthNet or on fundraisers. Another way is with financial support. We ask a family donation of \$40.00 per year for one child, or \$60.00 for two or more. If you donated your football or cheerleading refund you are already on the way! Now would be a great time to support the Club! It all goes right back to your family and your neighborhood. Donations can be dropped off any time. Thank you!
