**PREP B-BALL UPDATES**

By: Dan Ward

There was plenty of basketball madness to be had in the Prep league on January 18. There was lots of scoring and many spectacular plays. The first game of the day was played by the Pirates and Falcons. Jonathan DeJesus came out draining baskets for the Falcons as he led the team to a 10 to 9 lead at the half. The Pirates decided they had enough of the Falcons' ways and put on a non-stop offensive run. Rodney Stephen had 7 second have points and Cameron Kindra contributed 8. The Pirates also kicked the defense up a notch and didn't allow a single second half point. The Pirates dominated by the final score of 24 to 10. Leading the Pirates to victory were Cameron Kindra with 11 points, Rodney Stephen with 9 points, Jim Turano with a bucket, Mason Pott with 2 points, Timmy Jensen, and Chris Castillo. Playing hard-nose basketball for the Falcons were Jonathan DeJesus with 10 points, Tyler Seegert, Aaron Medina, Andrew Medina, Alexander Rodriguez, Jose Melendez, Marty Haderlein, and Marco Torres.

The second game of the day was a disappointment to everyone. The Cougars were supposed to face off against the Spartans but the Spartans had some attendance trouble and had to forfeit the game. Making their way to the game for the Cougars were Bobby Palushek, Samuel Morales, Amicar Morales, Anibal Rodriguez, Jamal Fletcher, Wallie Hewak, and Zachary Schmid. Supporting their team for the Spartans were David Flores, Alfredo Uriostegui, and Joel Medina. The final game of the day was a very high scoring one. The very tough Bees squared off against the Locusts. The Bees wasted no time taking the lead as the whole team pitched in to score 20 first half points. The Locusts were having a hard time getting things together and were only able to match 5 points. As the second half started the Bees slowed down a little but still put the game out of reach. The final score was Bees 34, Locusts 7.

By Rolando Argumedo

Have you found your child struggling in a certain subject, or needing extra help or just looking for a quiet place to do their homework? If you answered yes to any of these questions, then NBGC is the place for your child. NBGC has started their After-School Tutoring Program.

The program will be held weekly, Tuesday through Thursday, from 3:30-5:30 pm. The program is open to all members who are in elementary school. A current and certified teacher, as well as volunteers will staff the tutoring sessions. If you are interested in becoming a Volunteer Tutor, please see Rolando during the above hours.

**CHECK OUT WWW.NBGC.ORG!**

The NBGC Web Site, which opened this summer, has been updated and has new features. Find out what's happening in your league, what events and programs are coming up, or join the Bulletin Board for your league! That's right, each league has a Bulletin Board for posting messages. Messages are kept on for one week. Leave messages for friends, post the results of your last game, talk about something that happened at school or anything you like! We still have some technical things to work out with having an online Monkeyshines and registration. If you have any suggestions for the site e-mail NBGC1931@aol.com. We are also looking for members interested in updated the page weekly. NBGC.org is sponsored by Synergistic Networks, located in Elmhurst, and NBGC alums Greg Jlede and AJ Tantillo.

PEBBLE PLAYOFFS TO BEGIN

By: Phil Jensen

Out of our three games this past Saturday, the first was between the Wildcats and Aliens. The Wildcats had a better turnout this week and the Aliens had a full squad of 9, which is always nice to see. In our first half the Aliens played some good defense and kept the Wildcats from scoring any points. The Aliens' **Adriana Medina** and **Claudia Cox** each had a basket to put their team up 4-0 at the half. In the second half the Wildcats tried to get some points on the board, but the Aliens defense remained successful and held them scoreless. To top things off the Aliens scored 8 more points; **Claudia Cox** had a basket, **Valin Myers** had a bucket and **Adriana Medina** had 2 more baskets, making the final score of this game 12-0 in favor of the Aliens. Coming out and playing their hearts out for the Wildcats were: **Elena Bernstein, Jocelyn Velazquez, Morgan Prinn, Margaret Gallery and Samantha Rivera**. Contributing to that strong Aliens defense was: **Gaby Villegas, Vivian and Vanessa Moreno, Jessica Saberanis, Angella Starr and Fatima Rodriguez**.

At our 9:40 slot we had the two teams that battled it out for the championship last half, the Twisters and the Comets. The Comets have remained as one of the best passing teams in the league, while the Twisters have been dominating on the boards and continue to find a way to give their team a victory. In the first half the Twisters had one basket each by **Vanessa Andrade** and **Marisa Rosario**. The Comets on the other hand, were held to one basket by **Meghan Robinette**. This was a game played with great defense and you could clearly see this demonstrated by the 4-2 Twister lead at the half. In the second half the Comets started to make a comeback and got some points on the board when **Meghan Robinette** scored another basket and **Maggie Kindra** got herself a couple of buckets. The Twisters weren't finished though, and **Ashley Krysztopil** helped keep this statement true by draining two free throws and **Vanessa Andrade** adding two more baskets. Those who also came out and played great for the Comets were: **Emma McCarthy, Murielle Vansach, Jocelyn Rasmijn, Gabriela Rodriguez and Jacqueline Rodriguez**. Also contributing to the Twister victory was: **Jocelyn Parks, Blanca Rodriguez, Mary Guiragossian, Tonya Prodromos, Rosana Mulchrone and Samantha Elkin**. In the end the Twisters came away with this one, with the results being 10-8.

The last and final game of the day was between the Angels and the Wizards. The attendance for this game was a little low, but fortunately enough both teams had enough to play. The first half started with the Wizards' **Arianna Salas, Alexandra Velasquez and Michelle Nunes** all scoring one basket. The Angels' **Almasa Pecanin** and **Sara Brodner** also added a basket each for their team. The second half of this game got a little crazy when the Wizards' **Michelle Nunes** came out and scored 4 more points for her team. The Angels tied the game up last second though, when **Almasa Pecanin** scored a couple of baskets and **Sara Brodner** added 2 more points. This meant the game was tied up 10-10 at the end of regulation and we would have a four minute overtime. We had a slow start to the O-T but with only about 1:30 left in the game **Michelle Nunes** dropped another basket which ended up being the game winner. Coming out and helping the Wizards win were: **Jaclyn Cobb, Maggie D'Alessio and Janessa Olivero**. Giving their best for the Angels was: **Denisse Herrera and Karen Gibbons**. The final score of this game was 12-10 in favor of the Wizards.

FOOD PROGRAM LOOKING FOR HELP

By Jacob Tipe

Do you like to help other people? Have you ever thought it would be easier to donate food or other consumable items without having to haul heavy cans and boxes to the nearest depository? Would you like to be more charitable all year round instead of just during the holidays?

"The Food Drive That Gives All Year" is a unique, charitable program. In this food drive you may pick one or more listed items to be donated on an ongoing, monthly basis to the food pantry of your choice on the date of your choice. Since these items will be plugged into an automated computer program, they'll be delivered directly from the manufacturer/warehouse to the receiving food pantry without the donor needing to handle any products. All items are 100% satisfaction guaranteed. The recipients receive fresh products; the donors do not touch anything and still help feed those in need in our great city. For further information, call Jacob Tipe at (773) 750-4545 or e-mail him at teamt30@covad.net.

FLOOR HOCKEY COACHES MEET THURSDAY

Volunteer Floor Hockey Coaches are required to attend an orientation and rules meeting prior to the drop of the first puck. A meeting was held last Thursday, and the make up meeting for those who missed takes place on Thursday, Jan. 30th at 7:00 p.m. If you did not attend the Jan. 23rd meeting you MUST attend this session. Volunteers who are unable to attend the Jan. 30th meeting will not be able to coach when the pre-season opens on Tues. Feb. 4th.

PRE-SEASON FLOOR HOCKEY TO START

All teams will have their first of two pre-season games starting on Feb. 4th. A schedule will be handed out at your practice during the week. If you are unsure of your exact game time or team, be sure to contact your League Director!

The League Director's are:

Junior League	Mary Gallery	Prep League	Dan Ward
Senior League	Julie Dakers	Tribe League	Tim Ward

Tues.	Feb.	4th	4:00	Prep Games
Wed.	Feb.	5th	5:15	Junior Games
Thurs.	Feb.	6th	4:00	Cadet Games (NBGC gym)
			4:00	Tribe Games
Fri.	Feb.	7th	4:00	Pebble Games (NBGC Gym)

SHIRTS & NUMBERS ARE NEEDED!

Hockey players must wear an NBGC team shirt with ironed on numbers for each game. Shirts are sold through your League Director. They cost \$7.00 and it is a good idea to have two shirts. In addition, boys must wear a cup and supporter.

NBGC team shirts cannot be altered in any way, so do not cut off the sleeves, write your name or number on the shirt with marker, etc. If you alter your shirt you will have to purchase a new one before you can play.
